

## **Step 5 – How to embed Video and Music.**

- **First is Part 1 – Add YouTube Video with YouTube Element.**
- **You can find a YouTube video you want without having a Google account.**
- **The reason I did that was I created a Website called Our Vacation Photos and I found a few Videos better then my photos.**
- **If you have a Google account, like Gmail, you can upload a Video to YouTube.**
- **Next is Part 1.**

# **Step 5 - Part 1 – Add YouTube Video with YouTube Element**

- **First go to your TEST page or a page you want to add a YouTube Video.**
- **I will show you how to add a new Tab to get to YouTube, so you can click on the other Tab to go back to your Weebly account.**
- **Next is about Google accounts before we do the Tab.**

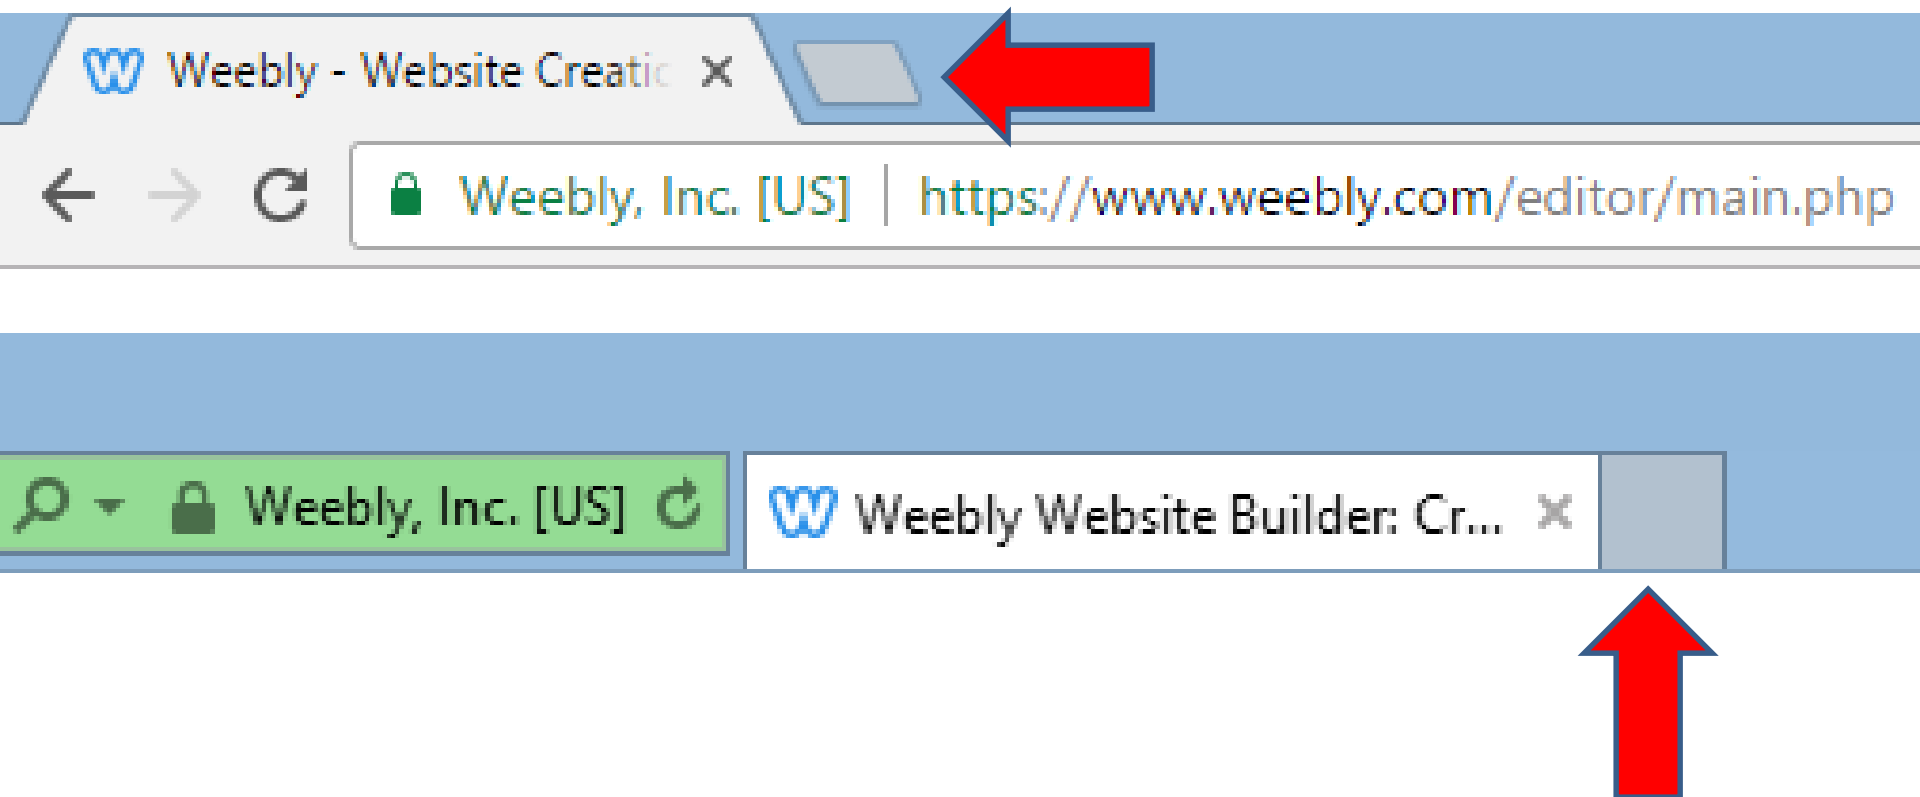

- **If you have a Gmail, you will go to your account. The reason is how to get to YouTube account, as I showed how to get Google Drive in Step 3 – Part 2. The other reason is if you have Video(s) on your YouTube account to select one.**
- **If you don't have Gmail or Google account, I will show you how to go to YouTube to find a Video.**
- **Next is to Add Tab. If you already have a new Tab with Google Drive from the Step 3 – Part 2, go to the 7<sup>th</sup> page on this PDF file.**

# Add Tab

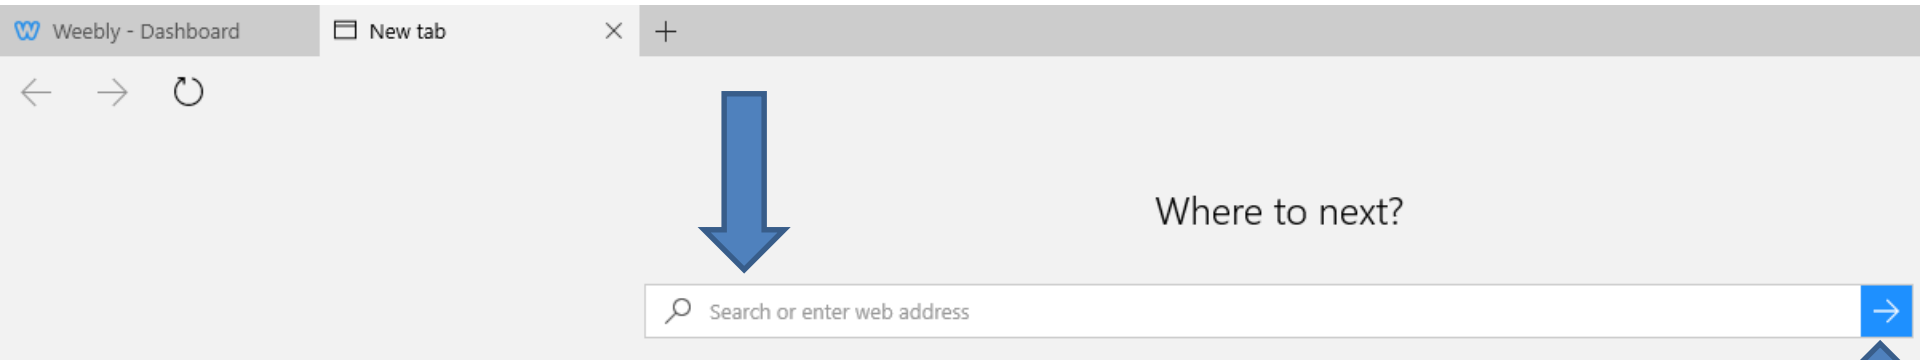

- Click on **+** to create a new tab on your Browser next to Weebly. It depends on the Browser. This one is Firefox which is similar to Edge.
- Next are other Browsers when you are home.

- You see a different icon vs. + on Google Chrome. Internet Explorer is different which is on the bottom. After you click on the icon, a new Tab opens which is next.

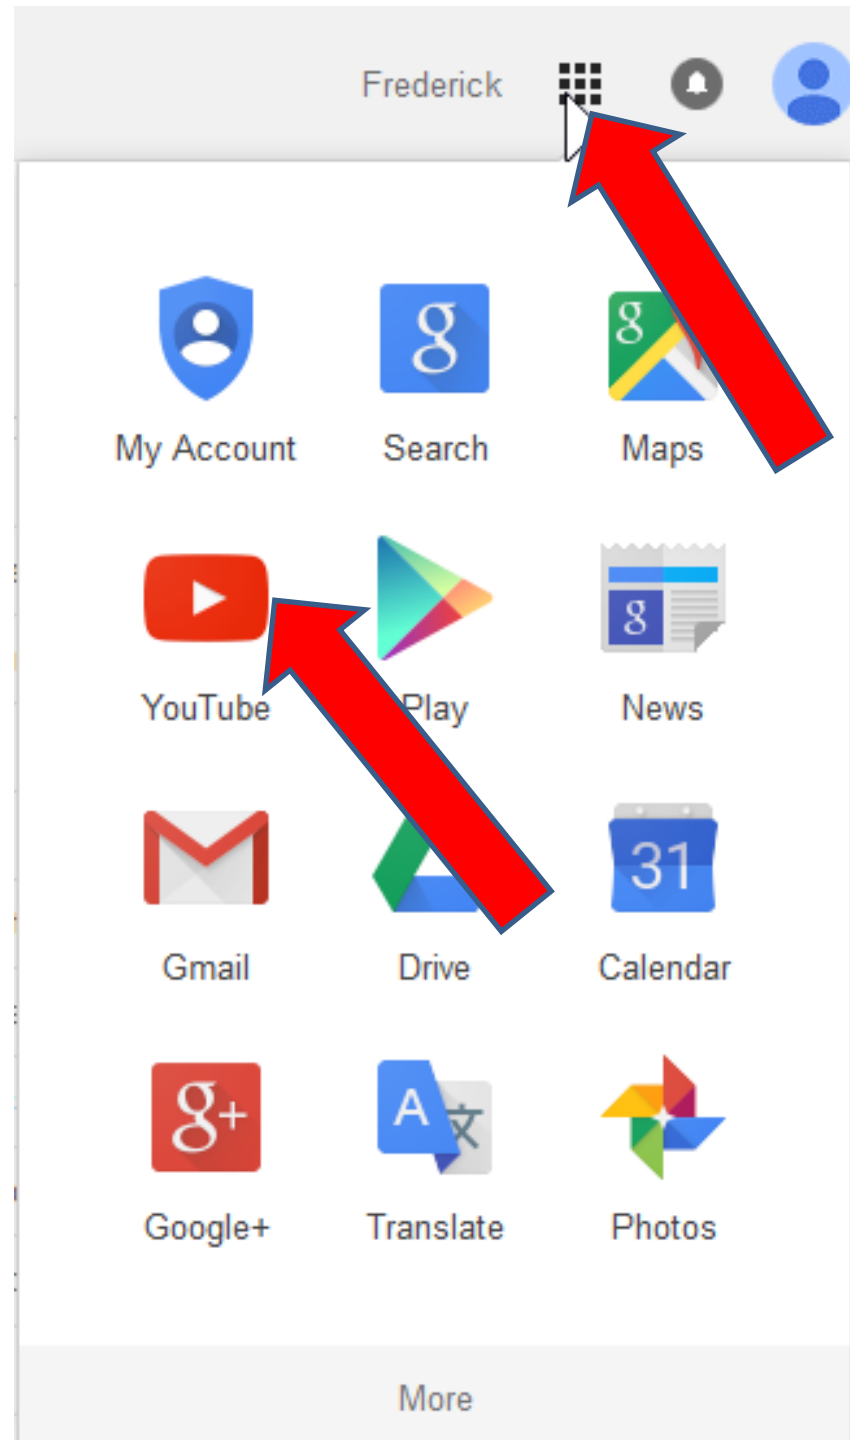

# You then see the New Tab Page in Edge.

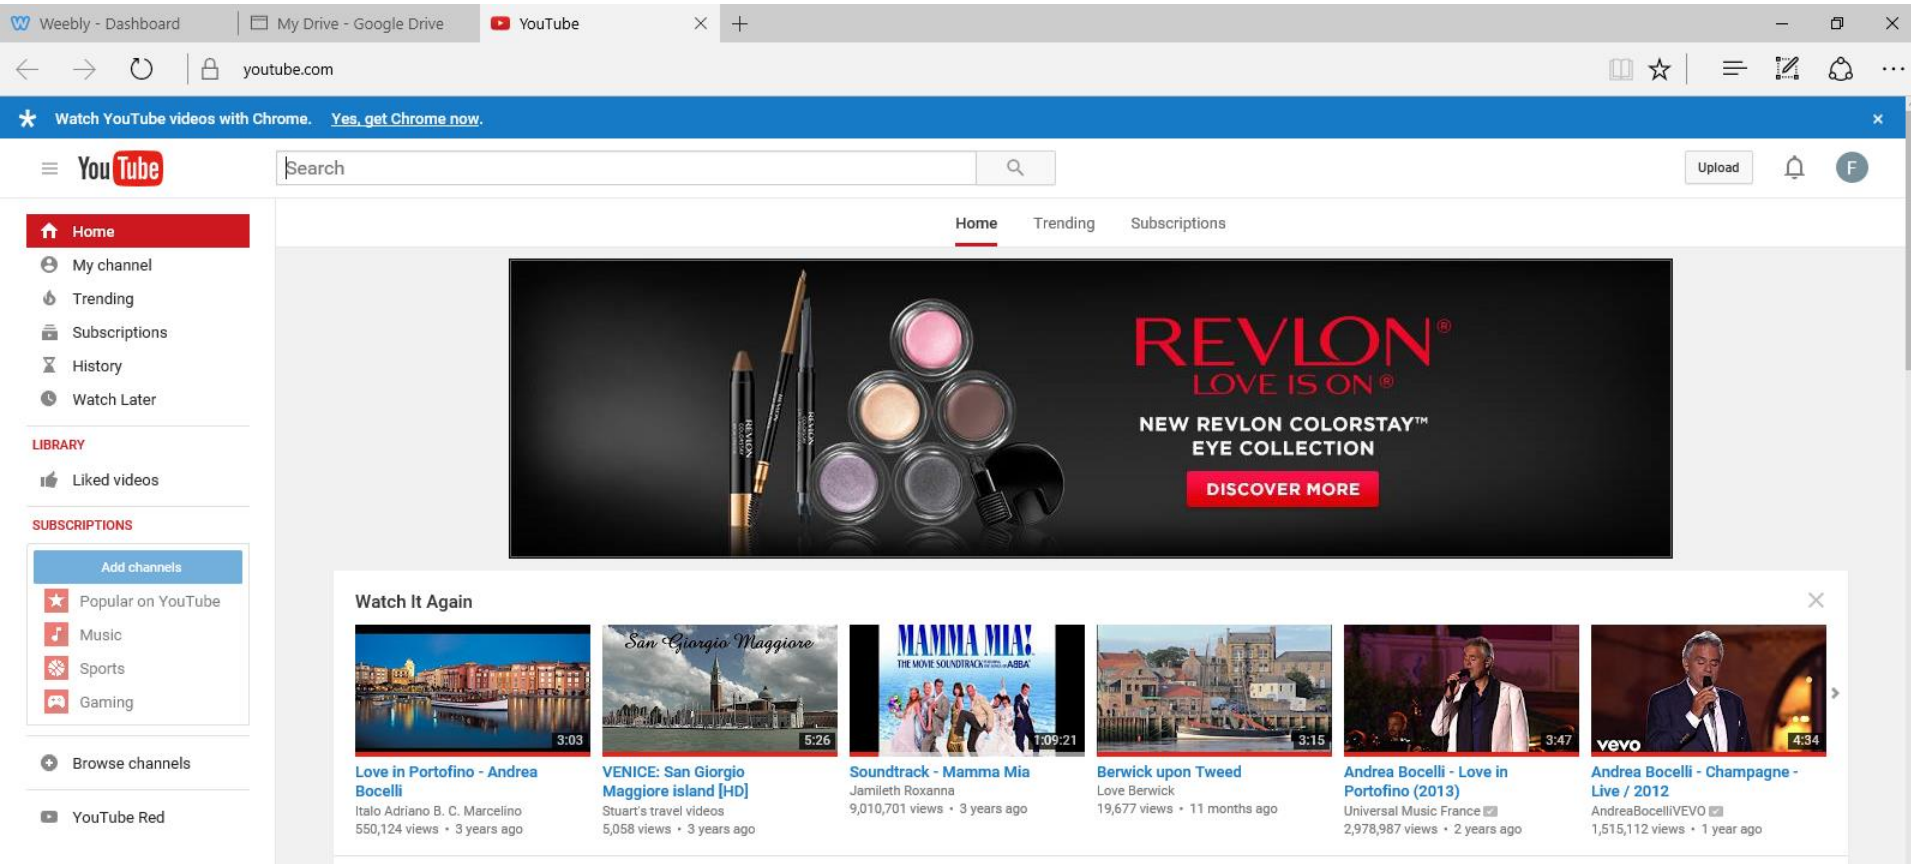

- If you have Gmail, type in gmail.com and click on -> in the right or click the enter Key and then log-in.
- If you a don't have Gmail or a Google account type in youtube.com and click on enter Key. The 8<sup>th</sup> page in this PDF file shows YouTube.
- If have a Gmail account or in Google Drive, next is how to get to YouTube.

- If you are in Google Drive or Gmail, click on the icon in the upper right and you see a list.
- Click on YouTube and a new Tab opens, which is next.

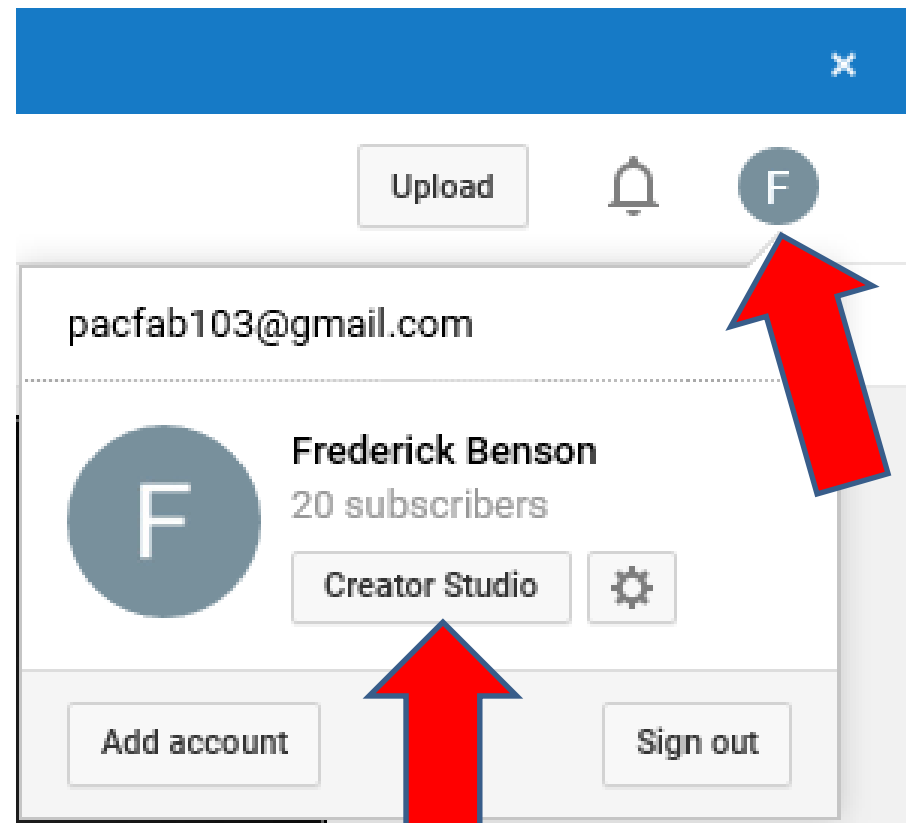

- You then see YouTube. If you have an account and have a video on YouTube, I will show you how to find it next.
- If not, go to 12<sup>th</sup> page in this PDF file to search.

- **To go to your video(s) you uploaded, click on your icon in the upper right.**
- **A new window opens and then click on Create Studio, which is next.**

- Page changes and you see your Video(s) and click on one.
- When you click on it, page changes and it starts to play, which is next.

Want to learn how to make your videos stand out from the crowd? Find tips on lighting, framing, and more in the YouTube Creator Academy.

- Here is a sample. If you to put it on your website, keep it on now and I will show you later. Or, you can search for a video which is next.

Browser tabs: Weebly - Dashboard | My Drive - Google Drive | My Slideshow - You

Address bar: youtube.com/watch?v=tiO9MD-1L\_4

YouTube interface:

- Search bar: Search
- Video player: A wide-angle shot of St Mark's Basilica in Venice, Italy, with many tourists in the foreground. The video is framed by black bars on the left and right sides.
- Video controls: Edit, Delete, Music, Full Screen, Info, CC, Analytics, Video Manager
- Channel information: My Slideshow, Frederick Benson, Channel settings
- View count: 3 views
- Interaction buttons: Add to, Share, More, Like (0), Dislike (0)

- **I am going to show you a Search for The Villages.**
- **You can test it, or search for something other, like a city on your vacation or something else.**
- **Once we add one to your website, you can always delete it and try to search another at home. Or, upload a video from your computer or create a Video on YouTube.**
- **If you interested in the YouTube details, you buy my on-line training, which is \$15 each. Let me know if you want the on-line training.**
- **Next is the search.**

- Type in – like The Villages and you then see a list and just click on one.
- Next is what happens.

The screenshot shows a web browser window with the YouTube search page. The address bar contains the URL [http://www.youtube.com/?noredirect=1&is\\_r](http://www.youtube.com/?noredirect=1&is_r). The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The search bar contains the text "the villages" and a dropdown menu is open, displaying a list of search suggestions. A red arrow points to the first suggestion, "the villages florida". The background of the page features a large image of a city skyline at night, with the text "Only On PlayStation" at the bottom. In the bottom right corner, there is an ESRB content rating box for "MATURE 17+" with the text "Blood Intense Violence Strong Language".

[No thanks](#) [Try it free](#)

- You then see the URL.
- Next is how to copy it.

The screenshot shows a YouTube video player for the video "The Villages Florida" by MoonshineProduction1. The video is at 0:01 of a 3:52 duration. Below the video player, there are options to "Add to", "Share", and "More". A "Share" dialog box is open, showing the video's URL: <https://youtu.be/q2hdL97jVvg>. The URL is highlighted in a blue box, and a large red arrow points to it. Below the URL, there is a "Start at:" field with "0:01" entered. To the right of the share dialog, there is a "Want to remove ads?" notification for YouTube Red, with "No thanks" and "Try it free" buttons.

- You have two options to copy. Once is click and hold the Ctrl Key and click on the C Key.
- Second option is right click on the highlighted and you see a new window and click on Copy.
- Next is click on the Weebly Tab.

- You click on the Weebly Tab to go back to it.
- Next is how to add the YouTube element.

- Go to a page you want to add the YouTube video, like Test page.
- Make sure you are on Build Tab, and then scroll down to YouTube.
- Next is to drag it.

- **Drag it and drop it (like under divider).**
- **Next is what happens.**

- Once you drop it you see a YOUTUBE sample.
- Then click just outside video and next is what happens.
