

Part 2 - How to install Games on different Websites with Internet Explorer Browser

- As I mentioned in Step 2 Introduction, Windows 10 also has Internet Explorer Browser, but you have to search for it. My on-line training for Browsers shows you how to find Internet Explorer. If you don't know how to find Internet Explorer, hover over Second Courses in my Website and you see Browsers and click on it.**
- If you know how to open Internet Explorer, next is a sample of open it.**

- **Internet Explorer opens with a New Tab, unless you made changes. It shows web search and you type in you want to download Games. If you don't know of the Game you want, next is want to type. If you know of the Game, I will show you a sample latter.**

- I recommend you start typing Download free and you see a list. Then click on the download free games and next is what happens.

- The default search is bing. You can change it to Google. My on-line training for Browsers shows you how to do that. Hover over Second Courses in my Website and you see Browsers. I recommend you type in the name of your game, because the websites below don't have good games. Next explains the names.
