

Step 14 – Part B – Share a Video with YouTube.

- You need a Google Account to Share with YouTube.**
- If you have a Google Account, like Gmail, you go to your Gmail first. Next is how to get to YouTube from you Gmail Account. After that is just go to YouTube and sign-in with your Gmail Account**
- If you don't have a Google Account, I will show you how to create an account after the next Gmail.**

- If you have a Gmail account and sign-in to your Gmail, click on the  icon in the upper right and click on YouTube.
- Next, is how to sign-in to YouTube.

- You go to www.youtube.com
- Click on Sign in, in the upper right.

- **Page changes and you type in your Gmail or other e-mail you used to sign-in. Then click on Next, and type in your password.**

One account. All of Google.

Sign in to continue to YouTube

A sign-in form is displayed within a light gray rounded rectangle. At the top center of the form is a gray circular placeholder for a profile picture. Below this is a white rectangular input field with a thin blue border, containing a vertical cursor. A large blue arrow with a black outline points from the left towards this input field. Directly beneath the input field is a solid blue rectangular button with the word "Next" written in white text. In the bottom right corner of the form, the text "Need help?" is displayed in a smaller, blue font.

Why we process it

We process this data for the purposes described in [our policy](#), including to:

- Help our services deliver more useful, customized content such as more relevant search results;
- Improve the quality of our services and develop new ones;
- Deliver ads based on your interests, including things like searches you've done or videos you've watched on YouTube;
- Improve security by protecting against fraud and abuse; and
- Conduct analytics and measurement to understand how our services are used.

Combining data

We also combine data among our services and across your devices for these purposes. For example, we show you ads based on information from your use of Search and Gmail, and we use data from trillions of search queries to build spell-correction models that we use across all of our services.

The screenshot shows the YouTube homepage in a browser window. The browser's address bar displays <https://www.youtube.com/?gl=US>. The YouTube interface includes a search bar, navigation links (Home, Trending, Subscriptions), and a sidebar with 'LIBRARY' (History, Watch later, Liked videos) and 'SUBSCRIPTIONS' (Popular on YouTube, Music, Sports, Gaming, Browse channels). A large blue arrow points to the upload icon (an upward-pointing arrow) in the top right corner of the page. Below the navigation is a featured video player showing a group of people on a boat. To the right of the video player is a GEICO advertisement with the text 'What's Not Surprising? Ad GEICO Insurance WATCH MORE'. Below the advertisement are two video thumbnails: one featuring a green lizard (0:38) and another featuring a shirtless man (0:42). The 'Recommended' section at the bottom displays five video thumbnails with their titles and view counts:

- **File Explorer opens.**
- **Find a folder with the Video you want.**
- **Double click on the folder and double click on the video or click on it and click on Open.**

- YouTube page changes and it is Uploading
- You can make changes before it is finished, which I will show next.

The screenshot shows the YouTube video upload interface. At the top, there is a navigation bar with the YouTube logo, a search bar, and an 'Upload' button. The main content area features a progress bar indicating 'UPLOADING 95%' with 'About 9 seconds remaining.' and a 'Publish' button. A notification states: 'Your video is still uploading. Please keep this page open until it's done. Some changes are not yet saved.' Below this, there are three tabs: 'Basic info' (selected), 'Translations', and 'Advanced settings'. The 'Basic info' section includes a video title field containing 'VeniceCourseVideo', a description field, and a tags field with the text '(e.g., albert einstein, flying pig, mashup)'. To the right, there is a privacy dropdown menu set to 'Public', a message box 'Add a message to your video', and social sharing options for YouTube, Google+, and Twitter. A '+ Add to playlist' button is also present. At the bottom, there is a 'VIDEO THUMBNAILS' section with a help icon and a note: 'Thumbnail selections will appear when the video has finished processing.' A 'Custom thumbnail' button is visible, with a note below it: 'Maximum file size is 2 MB.'

What is Unlisted or Private vs. Public?

- If it is Public, and people search on YouTube, they may find your video.**
- If it is Unlisted, people will not find it when they search. But, if you share it with the link, people can send the link.**
- If it is Private, and you want to share it with only some people, they will have to have a Google account.**
- Next is change the name.**

- I changed it to Unlisted and you see Done vs. Public.
- You then highlight the Name and make a change, which is next.
