

# **Step 1 - Part 2 – How to Download Free Music with Internet Explorer Browser**

- If you don't have Music on your computer at home, you can download Free Music on your Computer. You have a lot of options. The first option if you have a gmail, you can go to YouTube and download Free Music. If you don't have gmail, you have to create a Google account to download free music from YouTube. I will first show you a sample of gmail and how to get to YouTube and download Free Music.**
- Second option is download Free Music from different Websites. I will show you that later.**
- Third option is download Music using aTube Catcher, but there may be copyright issue. I will show you that on the Step 3 - Part 2.**
- As I mentioned before in my Why I download Music on my Computer PDF file, Movie Maker has 3 links to websites called AudioMicro, Free Music Archive, Vimeo, but most of them you have to create an account, except Free Mustic Archive. Next is a sample of gmail account.**

- If you have Gmail, you click on the  in the upper right and you see a list and click on YouTube.
- Next is what happens.

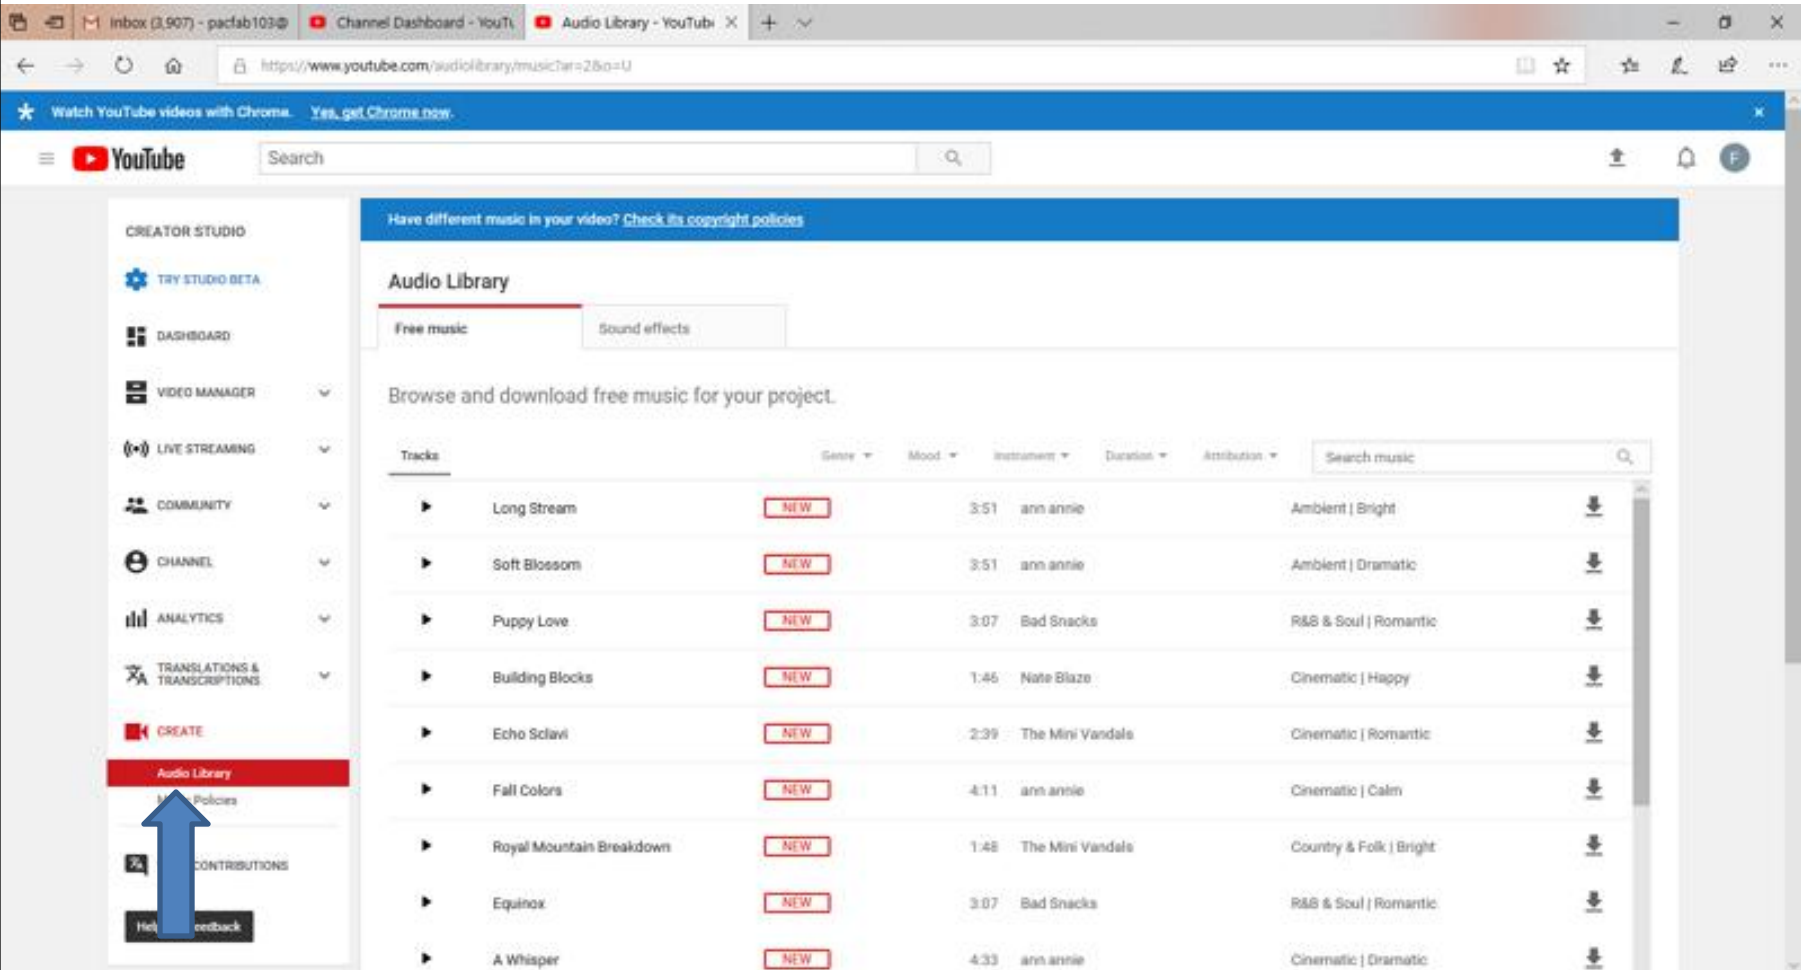

- It goes to YouTube and you click on you account icon in the upper right, like I did and then click on Creator Studio.
- Next is what happens.

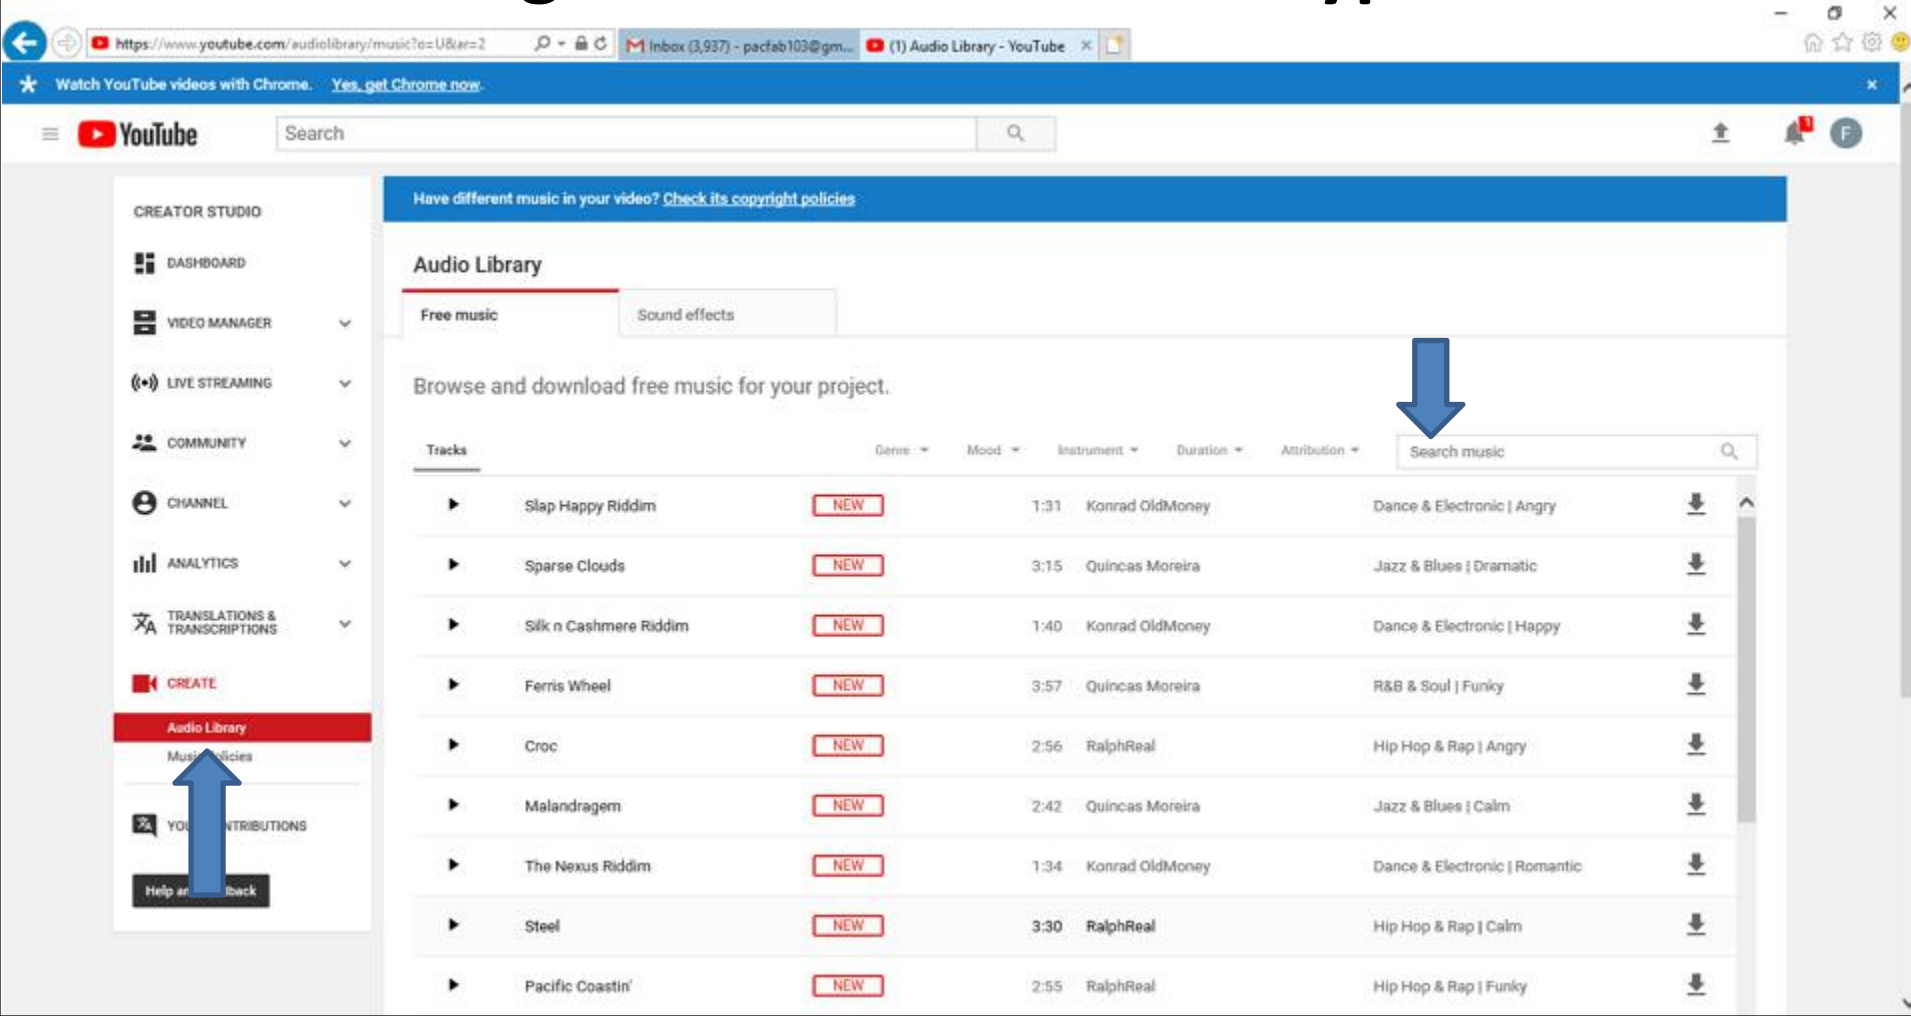

- Page changes to **CREATOR STUDIO**. Then click on **CREATE** at the bottom of the left and next is what happens.

The image shows a browser window with the URL <https://www.youtube.com/dashboard?o=U>. The page displays the YouTube Creator Studio interface for the channel 'Frederick Benson', which has 13,767 views and 34 subscribers. The left sidebar contains a navigation menu with the following items: CREATOR STUDIO (highlighted with a blue arrow), DASHBOARD, VIDEO MANAGER, LIVE STREAMING, COMMUNITY, CHANNEL, ANALYTICS, TRANSLATIONS & TRANSCRIPTS, and CREATE (highlighted with a blue arrow). The main content area shows a list of videos under the heading 'VIDEOS'. The videos listed are: 'DrivewayPartyDec2018' (9 views), 'DrivewayPartyDec2018' (10 views), 'VTS 02 1' (0 views), and 'VTS 01 1' (47 views). On the right side, there is a 'New!' notification about customized notifications and a list of suggestions for video optimization, such as 'Earn more money on your video' and 'Use a custom thumbnail for your video'. A blue 'Add Widget' button is visible below the suggestions. At the bottom right, there is a 'WHAT'S NEW' section with a placeholder for news.

- Page changes and you see Audio Library with music with NEW ones. Next explains the Audio Library.

- I tried a Search music for Artists and there were not any, so Audio Library has just classical music. You then can type in another name, like Christmas or something else. Next is what I type in.

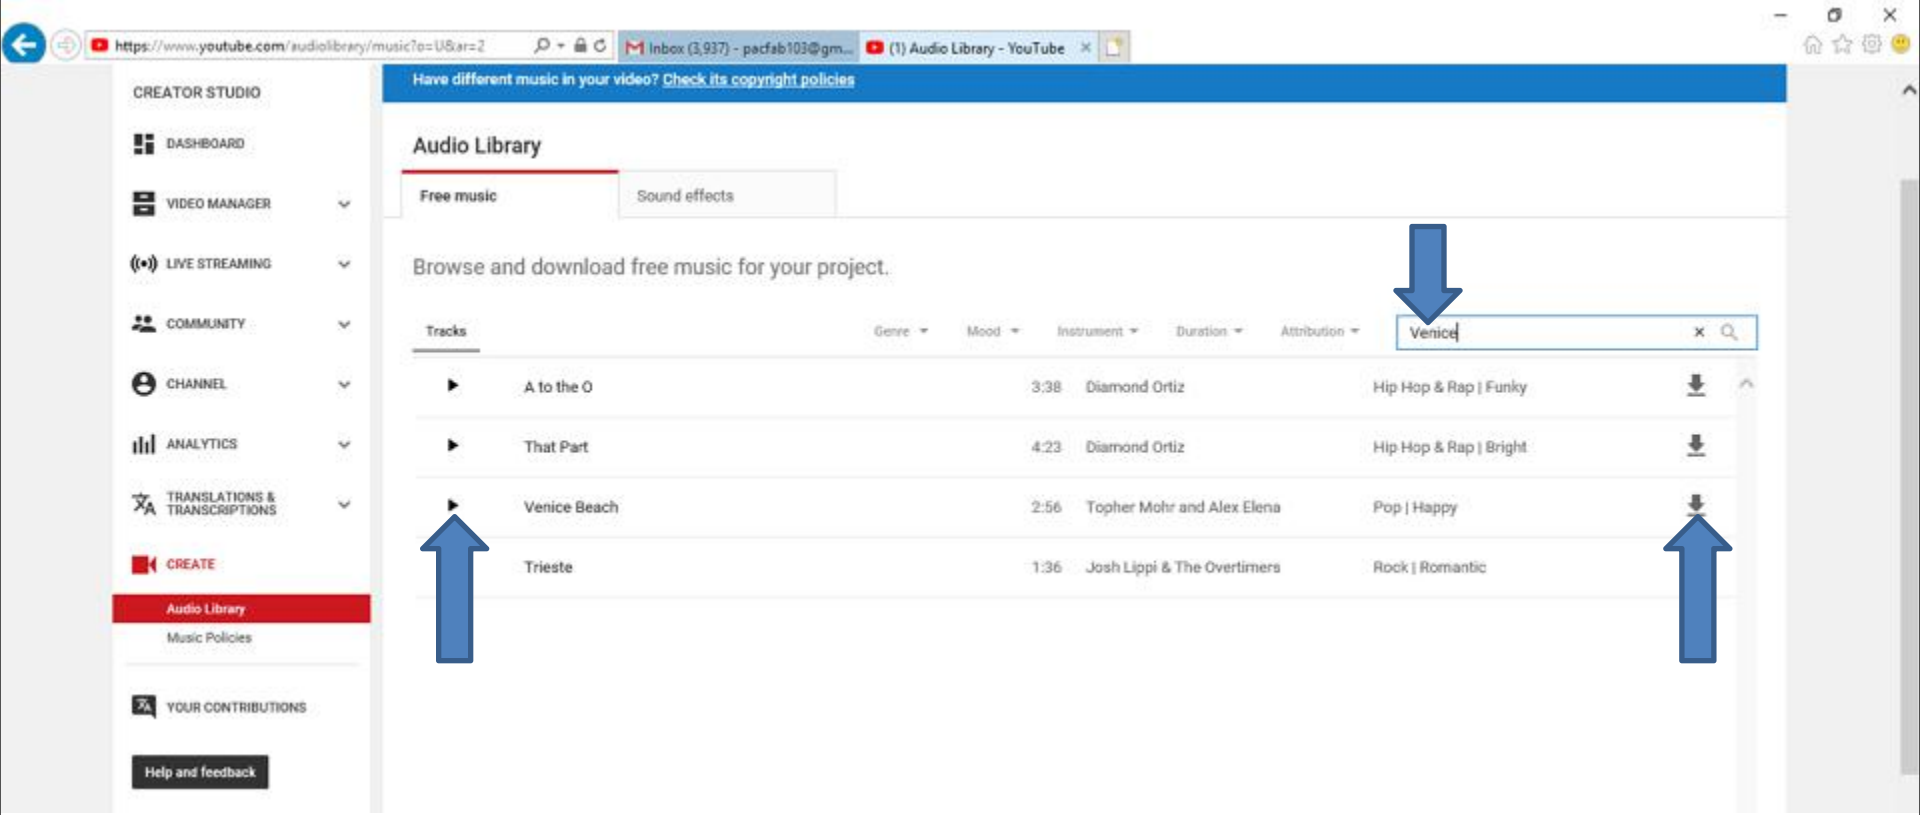

- I decided to type in Venice, because I have a Venice pictures on Movie Maker. When you type in the name, click on the Entry Key. Next is a sample.

The screenshot shows the YouTube Audio Library interface. The browser address bar displays the URL <https://www.youtube.com/audiolibrary/music?o=US&ar=2>. The page title is "Watch YouTube videos with Chrome. Yes, get Chrome now." The YouTube logo and search bar are visible at the top. The left sidebar contains navigation options: CREATOR STUDIO, DASHBOARD, VIDEO MANAGER, LIVE STREAMING, COMMUNITY, CHANNEL, ANALYTICS, TRANSLATIONS & TRANSCRIPTIONS, CREATE, Audio Library (highlighted in red), Music Policies, and OUR CONTRIBUTIONS. The main content area is titled "Audio Library" and has tabs for "Free music" and "Sound effects". Below the tabs, there is a heading "Browse and download free music for your project." and a search bar containing the text "Venice". A blue arrow points to the search bar. Below the search bar is a table of tracks with columns for Tracks, Genre, Mood, Instrument, Duration, Attribution, and a download icon. The table lists several tracks, each with a "NEW" label in a red box.

Tracks	Genre	Mood	Instrument	Duration	Attribution	
▶ Slap Happy Riddim				1:31	Konrad OldMoney	Dance & Electronic   Angry
▶ Sparse Clouds				3:15	Quincas Moreira	Jazz & Blues   Dramatic
▶ Silk n Cashmere Riddim				1:40	Konrad OldMoney	Dance & Electronic   Happy
▶ Ferris Wheel				3:57	Quincas Moreira	R&B & Soul   Funky
▶ Croc				2:56	RalphReal	Hip Hop & Rap   Angry
▶ Malandragem				2:42	Quincas Moreira	Jazz & Blues   Calm
▶ The Nexus Riddim				1:34	Konrad OldMoney	Dance & Electronic   Romantic
▶ Steel				3:30	RalphReal	Hip Hop & Rap   Calm
▶ Pacific Coastin'				2:55	RalphReal	Hip Hop & Rap   Funky

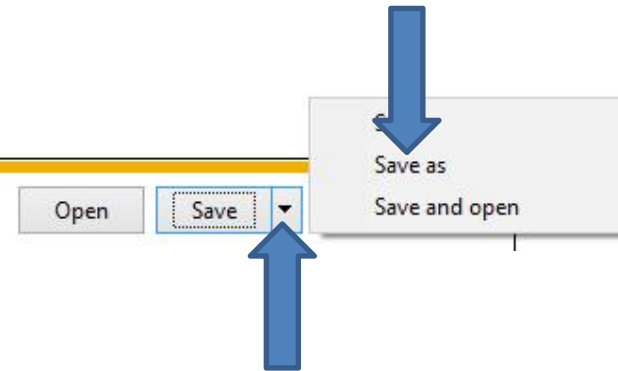

- Here is a sample and you see a list of them. You can click on Play Icon on the left and/or click on Download Icon on the right. Next is what happens when you click on the Download Icon.

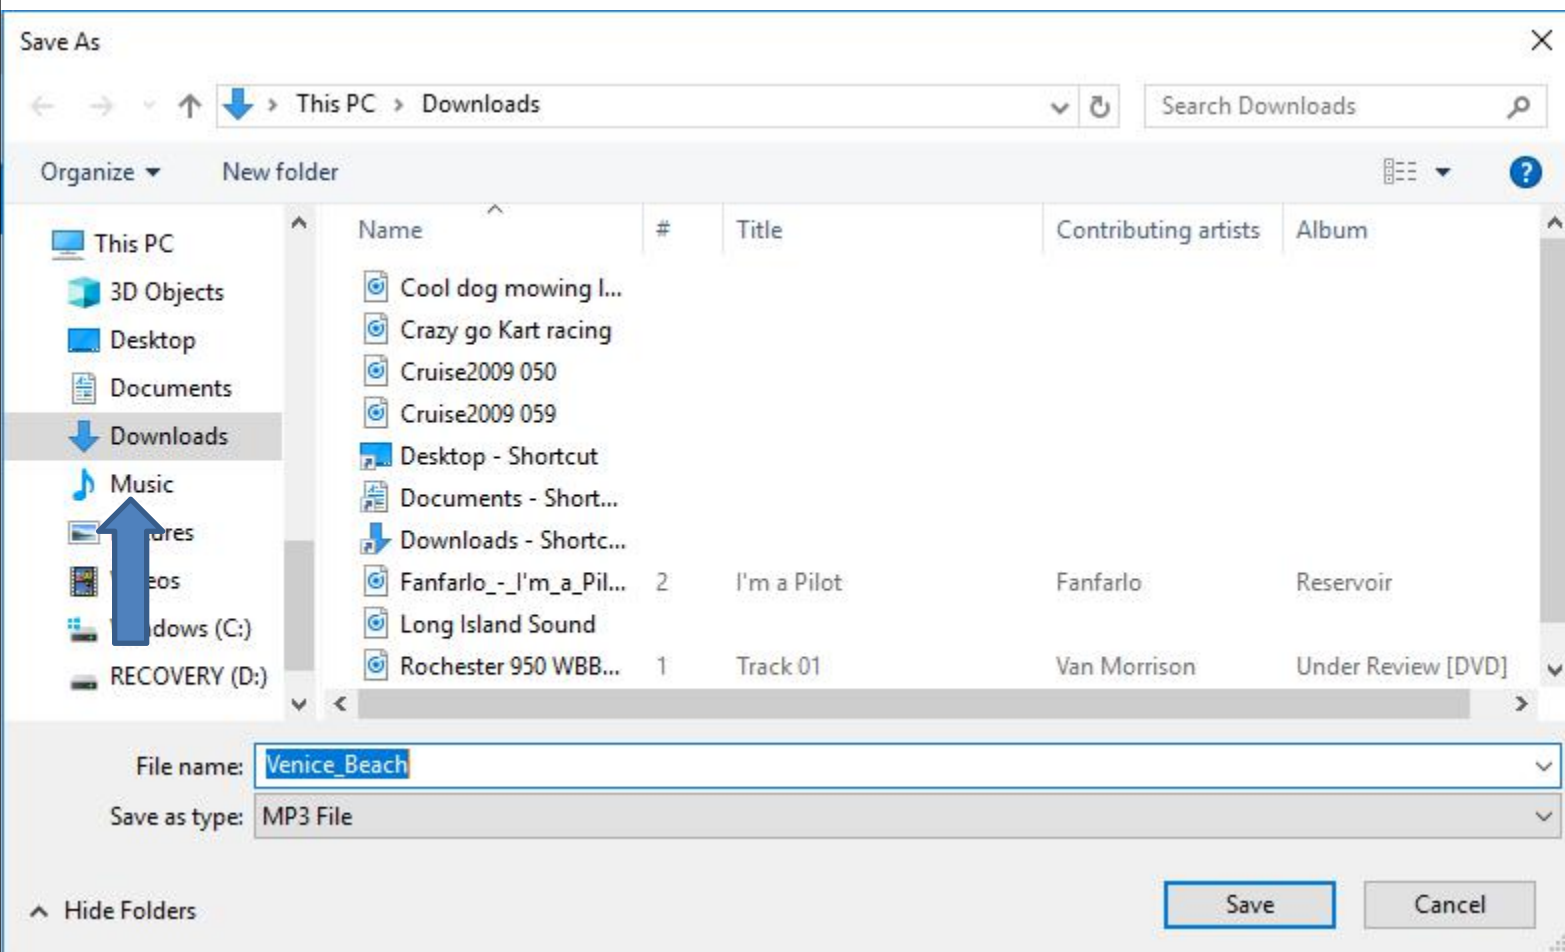

- **A new window opens at the bottom and I recommend you click on the the icon next to Save, like I did and then click on Save as and next is what happens.**

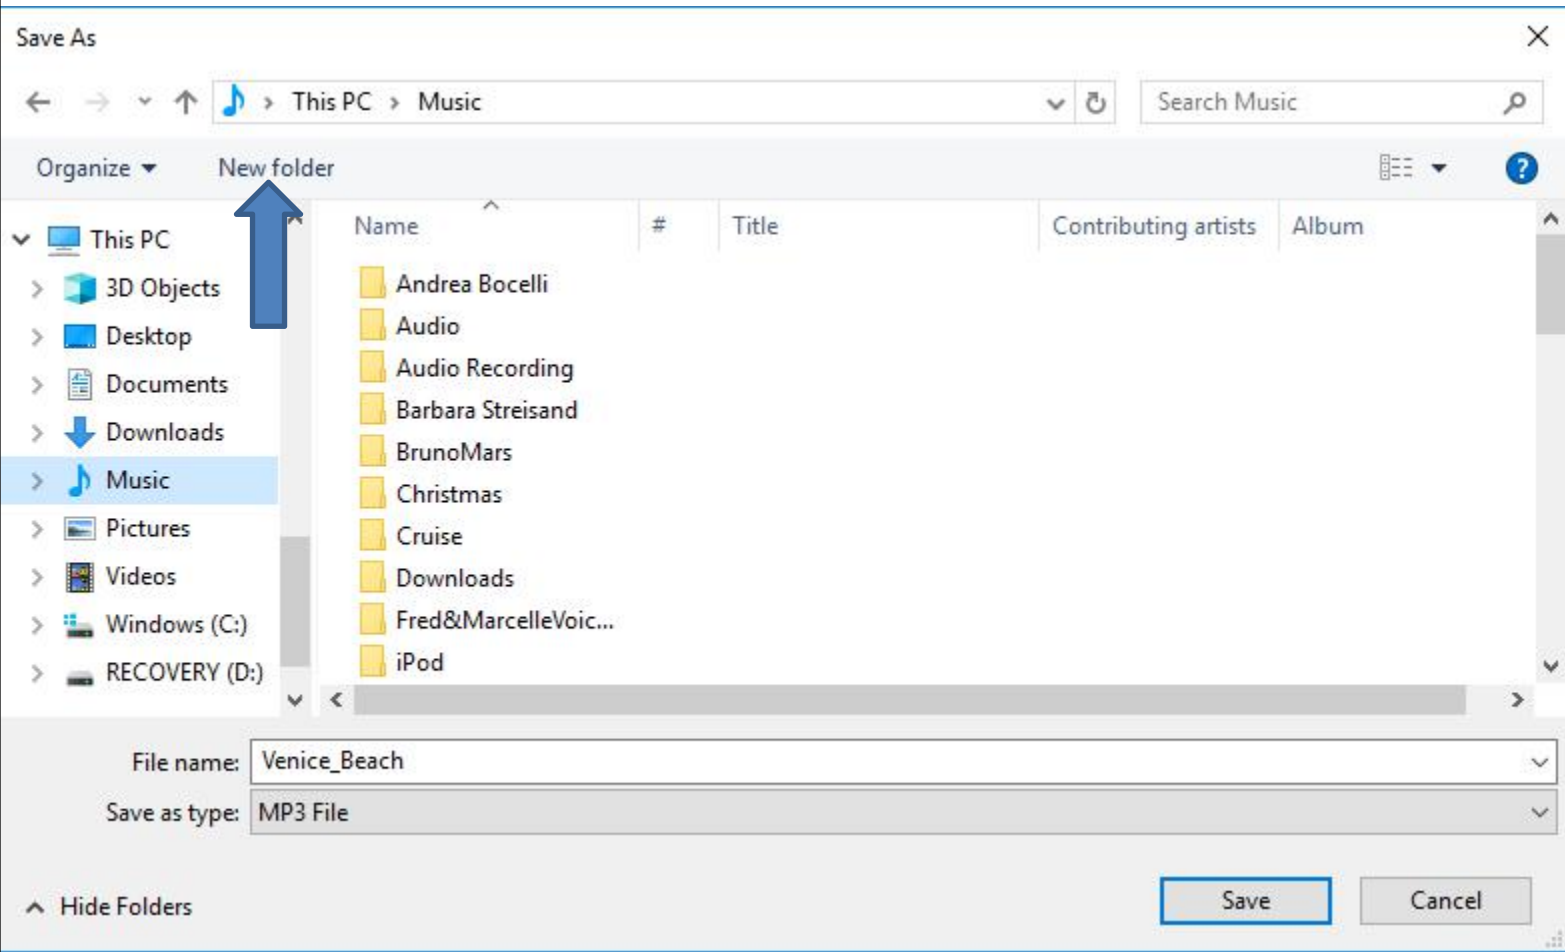

Do you want to open or save Venice\_Beach.mp3 (6.75 MB) from r5---sn-hp57knzz.googlevideo.com?

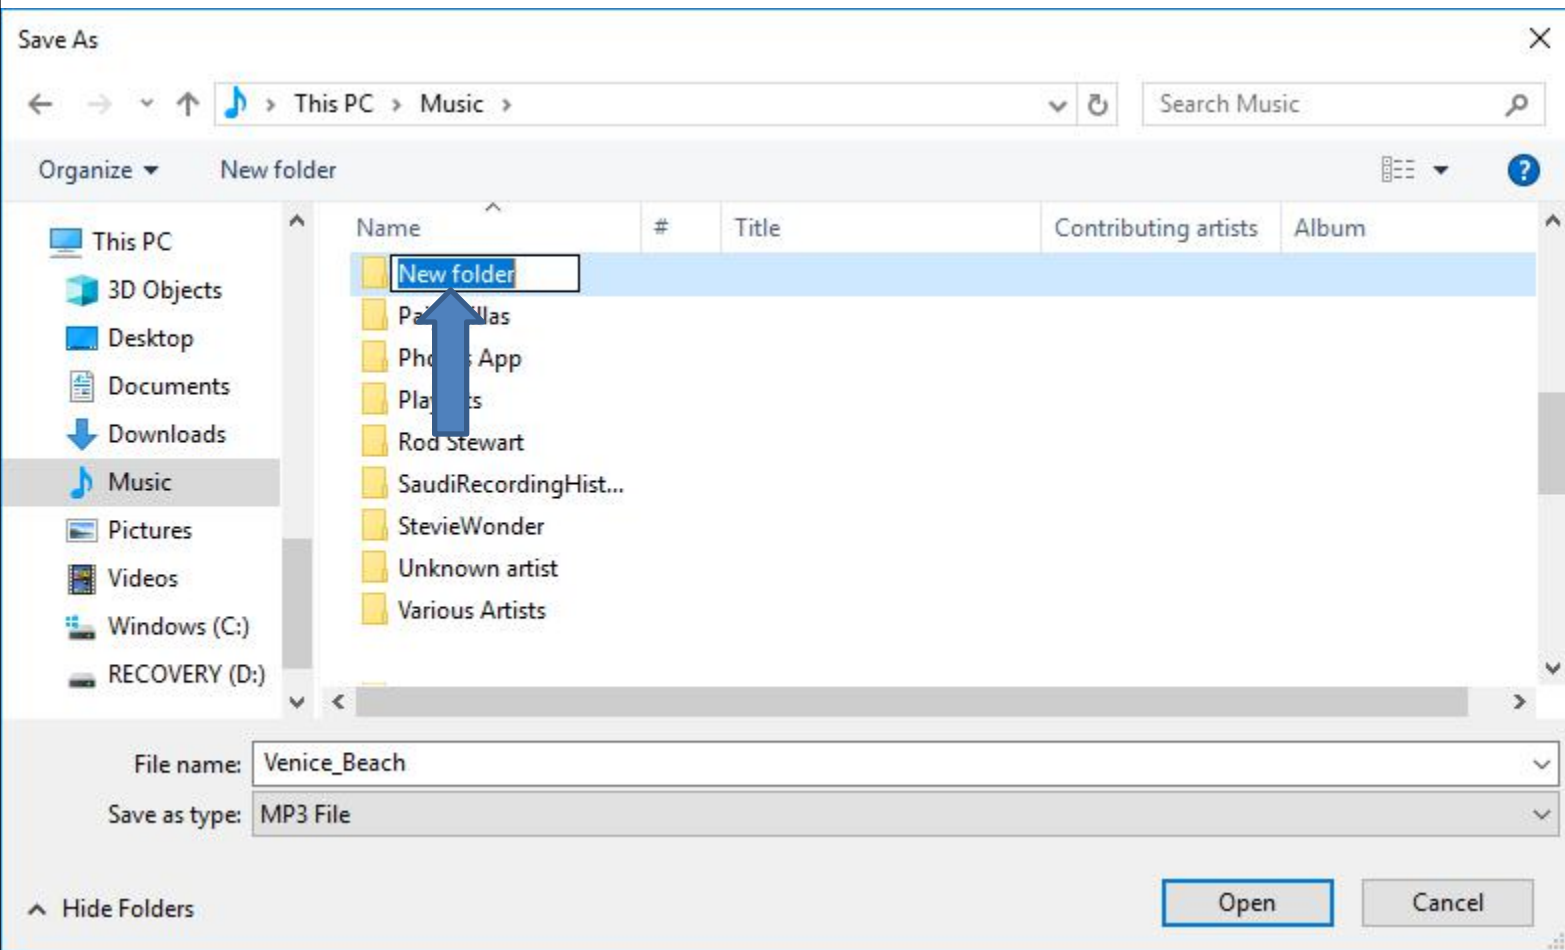

- A new window opens called File Explorer with Downloads folder and I recommend you click on Music on the left and next is what happens.

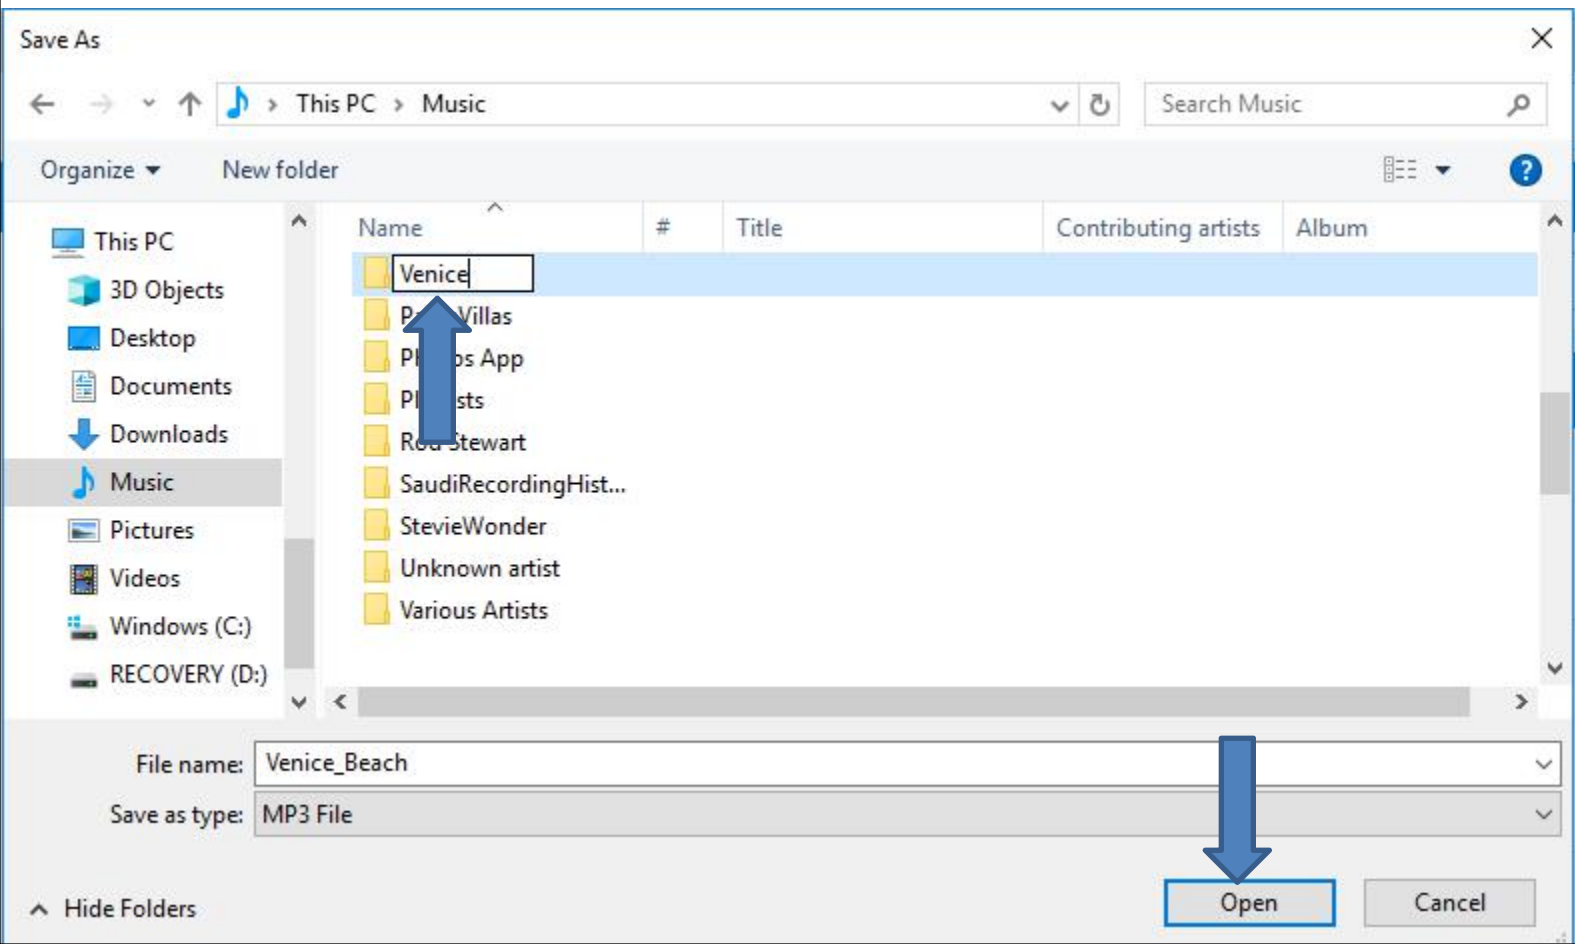

- **Window changes to Music File. I recommend you click on New Folder and next is what happens.**

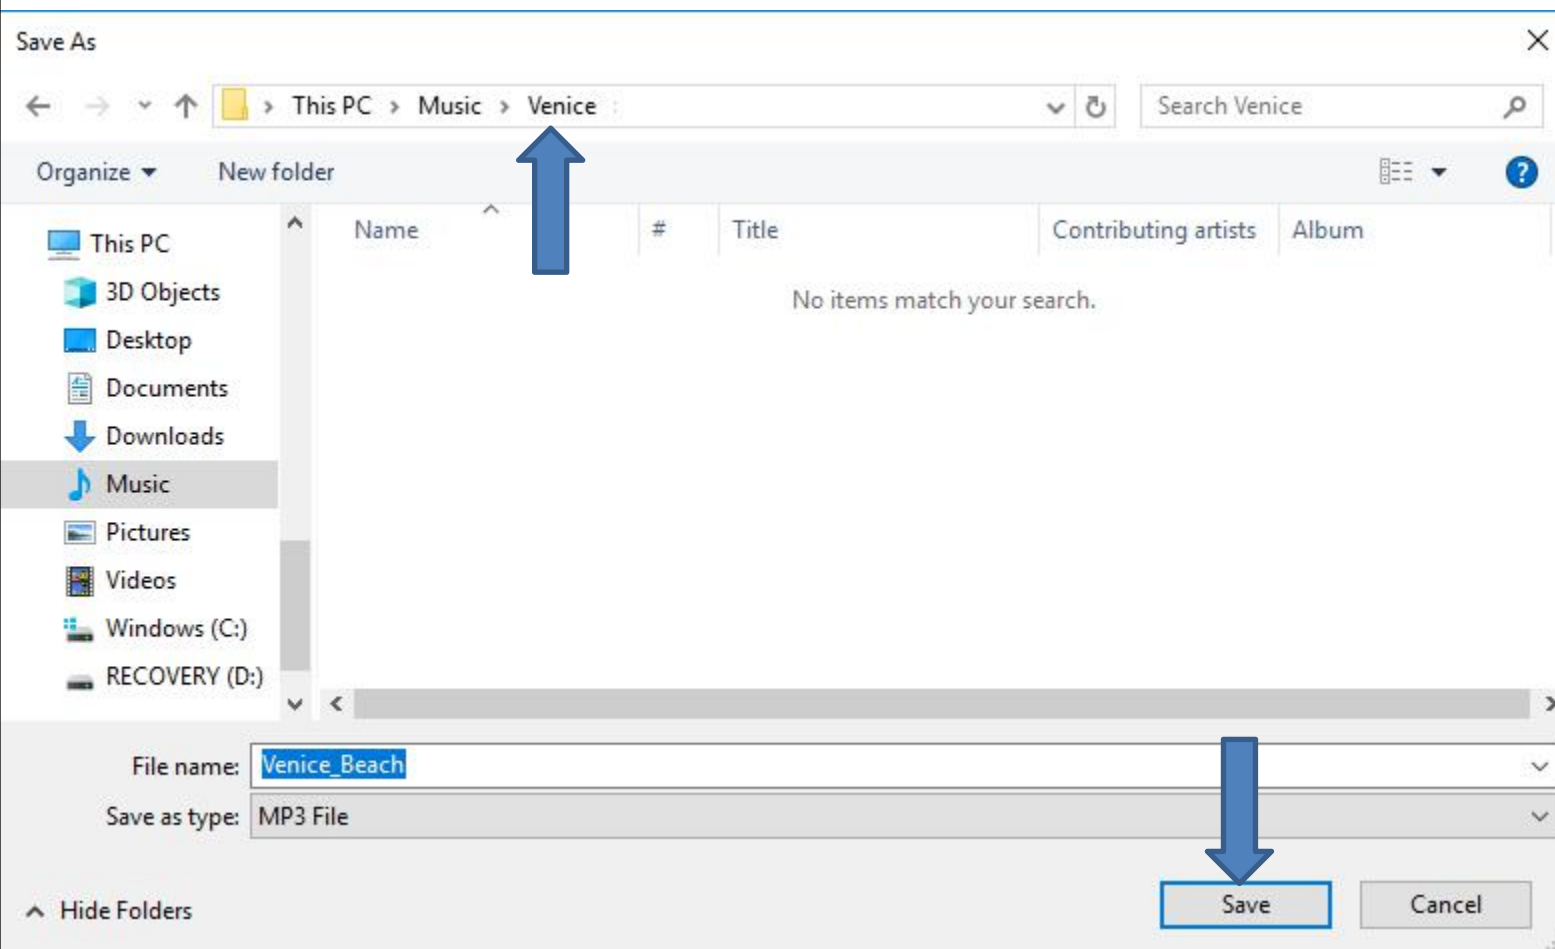

- You then see New folder highlighted and the type in the name you want and next is a sample.

- Here is a sample of typing Venice, because of the Music I download. Then click on Open in the bottom right and next is what happens.

- Page changes to Venice File and click on Save and next is what happens.

- **Windows closes and the other Window shows Open folder, because it was saved. I recommend you click on the X icon on the right to close the Window. Next is a sample.**

- When you click on the X, the window closes. If you want to download other Music, you can type in another and follow the same process as I showed you. When you finished or don't want other Music, I recommend you click on the URL at the top left and next is a sample.

The screenshot shows the YouTube Audio Library interface. The browser's address bar at the top left contains the URL <https://www.youtube.com/audiolibrary/music?o=US&ar=2>. A blue arrow points to this URL. The main content area is titled "Audio Library" and has two tabs: "Free music" (selected) and "Sound effects". Below the tabs, it says "Browse and download free music for your project." There is a search bar with the text "Venice" entered. A second blue arrow points to this search bar. Below the search bar is a table of tracks:

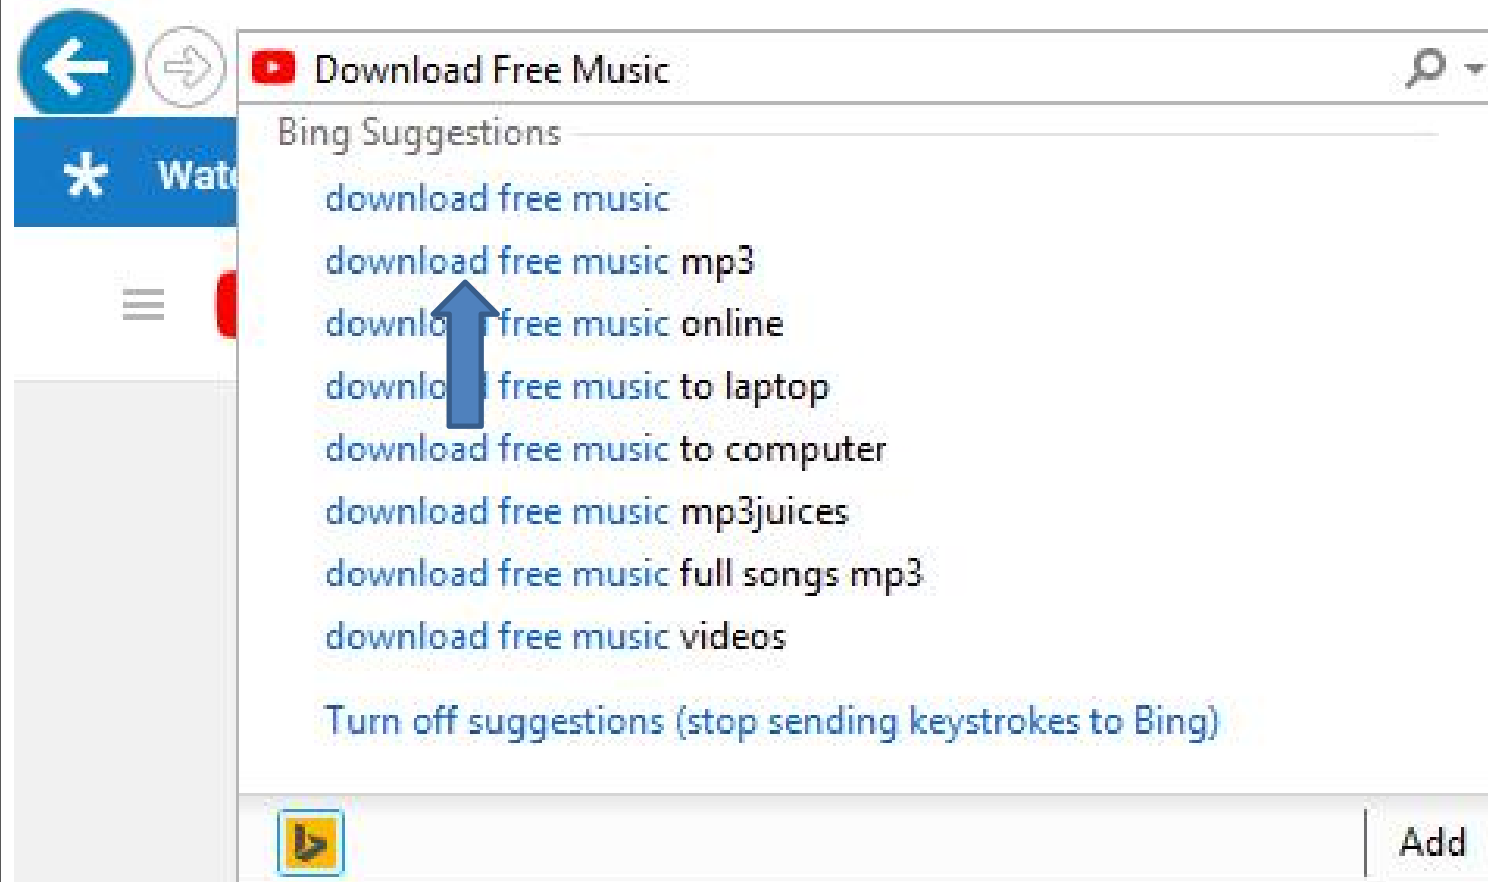

Tracks	Genre	Mood	Instrument	Duration	Attribution	
▶ A to the O				3:38	Diamond Ortiz	Hip Hop   Funky
▶ That Part				4:23	Diamond Ortiz	Hip Hop   Bright
▶ Venice Beach				2:56	Topher Mohr and Alex Elena	Pop   Happy
▶ Trieste				1:36	Josh Lippi & The Overtimers	Rock   Romantic

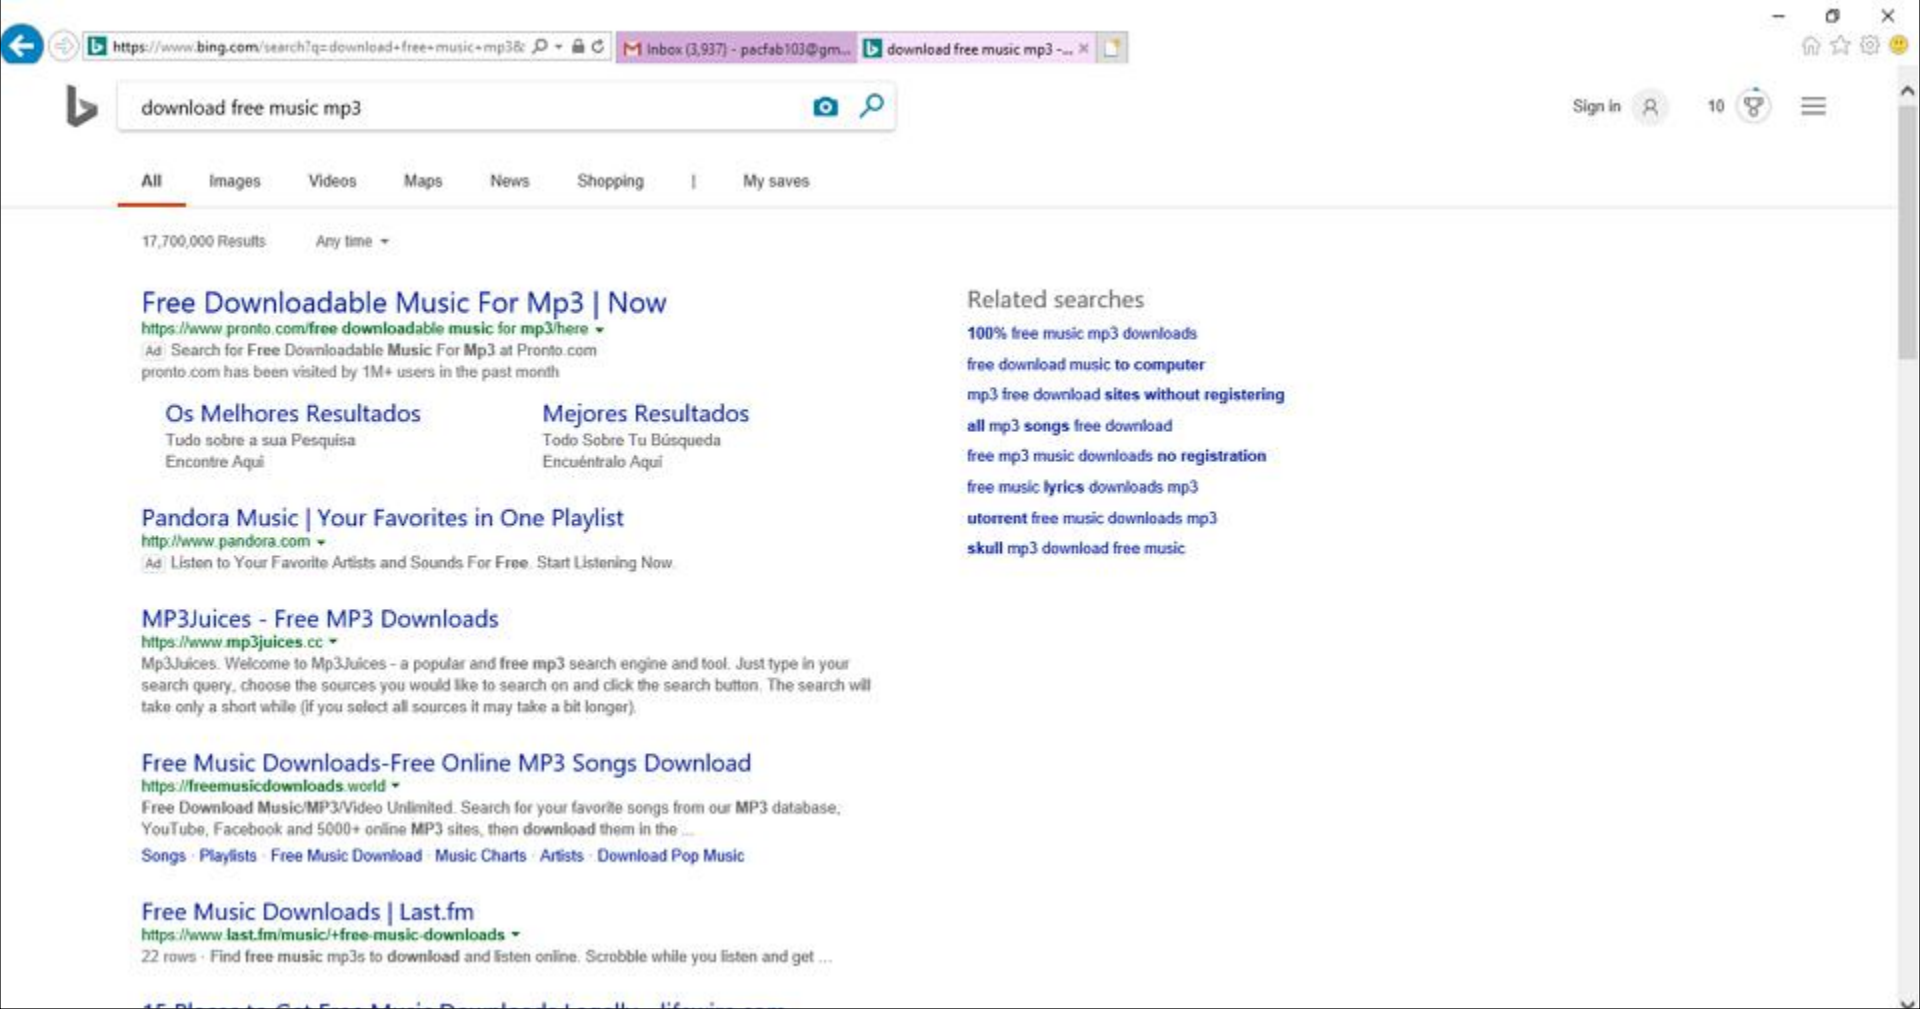

- You see it highlighted. Then type in Download Free Musc, which is next.

- **When you type in Download Free Music, you see a list. I recommend you click on download free music mp3. If you don't the list click on enter key. Next is what happens.**

- It goes to bing search and you see a list of lot of websites. As I mentioned in the Step 1 Introduction, you can change the bing search to Google, which is next.

• Here is a sample of Google search and it is similar bing, but it has different Websites. I checked a lot of Websites in bing and Google, but I like the MP3Juices. Next is one that I clicked on that is on both bing and Google, which I recommend.
