- **I like 123 Greetings, because it is free. I sometime use it.**
- **Smilebox Website is the only one that is a program that you can download on your computer with videos that you can make changes and send by email or share it on Facebook. You also can print it on your computer. You also can save it to DVD. I decided to download it and it is free and good. There is some E-Cards videos that you have to pay on Smilebox. I decided not to pay for them.**
