

## **Step 2 – How to create a YouTube account**

- If you don't have Gmail and YouTube account, I will show you how to create an account.**
- If you already have Gmail or a YouTube account, you don't need this Step.**

• As I showed you in Step 1 how to get to YouTube. If you have not done Step 1, open your Browser and type in youtube.com and click on the Enter Key and below is a sample of YouTube website. You then click on Sign in on the top right and next is what happens.

- **Page changes and you see Sign in. I recommend you click on More options at the bottom and next is what happens.**

- I zoomed in so you can see it. When you click on More options a new window opens with a list and I recommend you click on Create account and next is what happens.

- Page changes and you have to type in your first name and last name. Then type in your email address and type in your password and type it again to Confirm your password. Next is about Birthday, etc.

Sign in

## Create your Google Account

One account is all you need

One free account gets you into everything Google.

Take it all with you

Switch between devices, and pick up wherever you left off.

Registration form with blue arrows pointing to fields:

- Name: First  Last
- Your email address:   
[I would like a new Gmail address](#)
- Create a password:
- Confirm your password:
- Birthday: Month  Day  Year
- Gender: I am...
- Mobile phone:
- Location:

- Here is a sample of the January. You then type in the Day and Year of your Birthday.
- When you on the line below Gender and you see a list and then click on one, like Male.
- Once complete, you click on Next step at the bottom and next is what happens.

The image shows a registration form with the following fields and elements:

- Name:** Two input fields labeled "First" and "Last".
- Your email address:** A single input field with a link below it that says "I would like a new Gmail address".
- Create a password:** A single input field.
- Confirm your password:** A single input field.
- Birthday:** A dropdown menu showing "January", and two input fields labeled "Day" and "Year".
- Gender:** A dropdown menu with a list of options: "Female", "Male", "Other", and "Rather not say".
- Location:** A dropdown menu showing "United States".
- Next step:** A blue button at the bottom right.

Blue arrows indicate the following actions:

- Two arrows point down to the "Day" and "Year" input fields.
- An arrow points to the "Gender" dropdown menu.
- An arrow points down to the "Next step" button.

- Page changes and you to scroll down, which is next.

# Privacy and Terms

By choosing "I agree" below you agree to Google's [Terms of Service](#).

You also agree to our [Privacy Policy](#), which describes how we process your information, including these key points:

---

## Data we process when you use Google

- When you set up a Google Account, we store information you give us like your name, email address, and telephone number.
- When you use Google services to do things like write a message in Gmail or comment on a YouTube video, we store the information you create.
- When you search for a restaurant on Google Maps or watch a video on YouTube, for example, we process information about that activity – including information like the video you watched, device IDs, IP addresses, cookie data, and location.
- We also process the kinds of information described above when you use apps or sites that use Google services like ads, Analytics, and the YouTube video player.

- Here is a sample of scrolling down and then click on I AGREE and next is what happens.

Depending on your account settings, some of this data may be associated with your Google Account and we treat this data as personal information. You can control how we collect and use this data at My Account (myaccount.google.com).

### Why we process it

We process this data for the purposes described in [our policy](#), including to:

- Help our services deliver more useful, customized content such as more relevant search results;
- Improve the quality of our services and develop new ones;
- Deliver personalized ads, both on Google services and on sites and apps that partner with Google;
- Improve security by protecting against fraud and abuse; and
- Conduct analytics and measurement to understand how our services are used.

### Combining data

We also combine data among our services and across your devices for these purposes. For example, we show you ads based on information from your use of Search and Gmail, and we use data from trillions of search queries to build spell-correction models that we use across all of our services.

CANCEL I AGREE

- Page changes and it shows **Verify your email address** and you will get it on your email.
- Next is what happens when you go back to **YouTube**.

## Verify your email address

You're almost done! A verification message has been sent to **gd** **et**.

Just check your email and follow the link to finish creating your Google Account. Entered the wrong address? [Change your email](#).

---

Can't find the email? [Resend verification email](#) or [visit the help center](#)

- You see an Icon in the upper right, which is your account.
- This is the End of Step 2.
