

# **Step 3 – Download Free Music**

- If you don't have Music on your computer and you want to add Music to the Photos App Create Video project, you can download free Music using a website. As I mentioned in Step 2, Photos App has Music on the Create Video that you try them. If you don't like any, you may want to download one.**
- Second option is download Free Music from YouTube. I will show you that later.**
- Third option is download Music using aTube Catcher, but there may be copyright issue. I will show you that at the end.**
- Next is the link to a website.**

- **Here is the Free Music Archive - Link**

- **When you click on Download, it depends on which Browser you have, some of them downloads it to your Downloads folder on your computer, like Google Chrome. Others show a new window and they show Save or Save File, etc. Once you click on them it also downloads it to your Downloads folder on your computer.**
- **Once it is downloaded you can move it to another folder using File Explorer, like Photos App Folder under Music Folder. Next is how to do it that is similar in Step 2.**

- You open File Explorer, like I showed you in Step 2. Then double click on Downloads folder and next is what happens.

- You see Downloads and if you don't see the Music then click on Date modified and next is what happens.

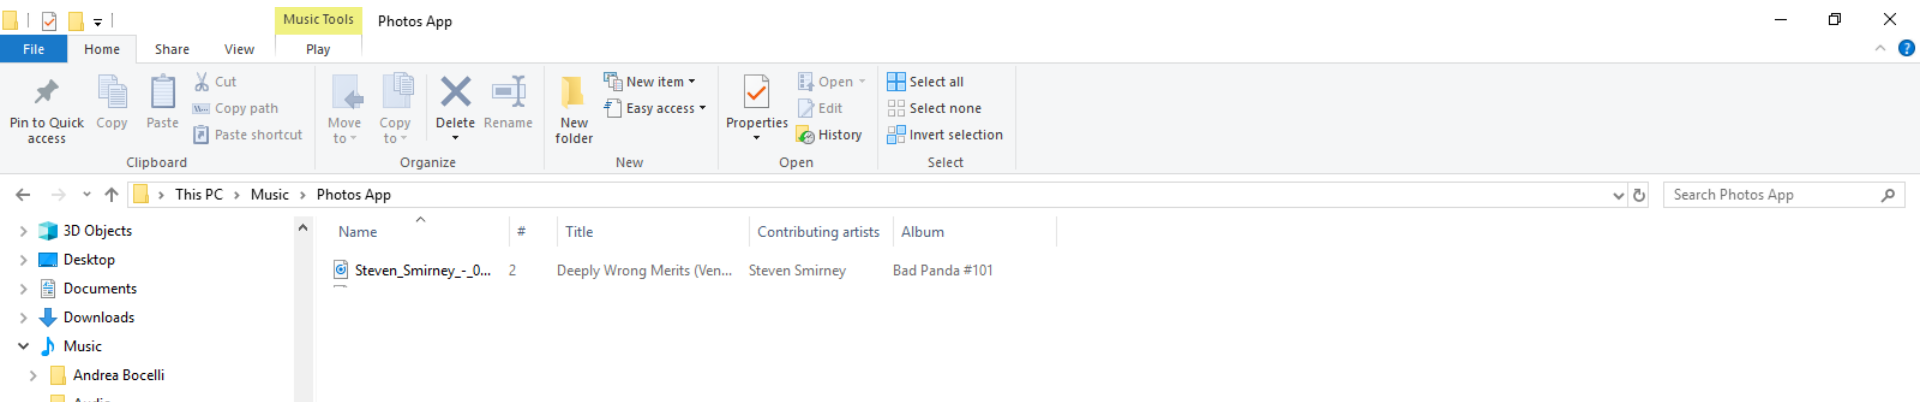

- You then see it at the top. You click on it and then click on Move to as I showed you in Step 2. Then find the folder. Next is a sample of Move it to the Music folder under the Photos App folder.

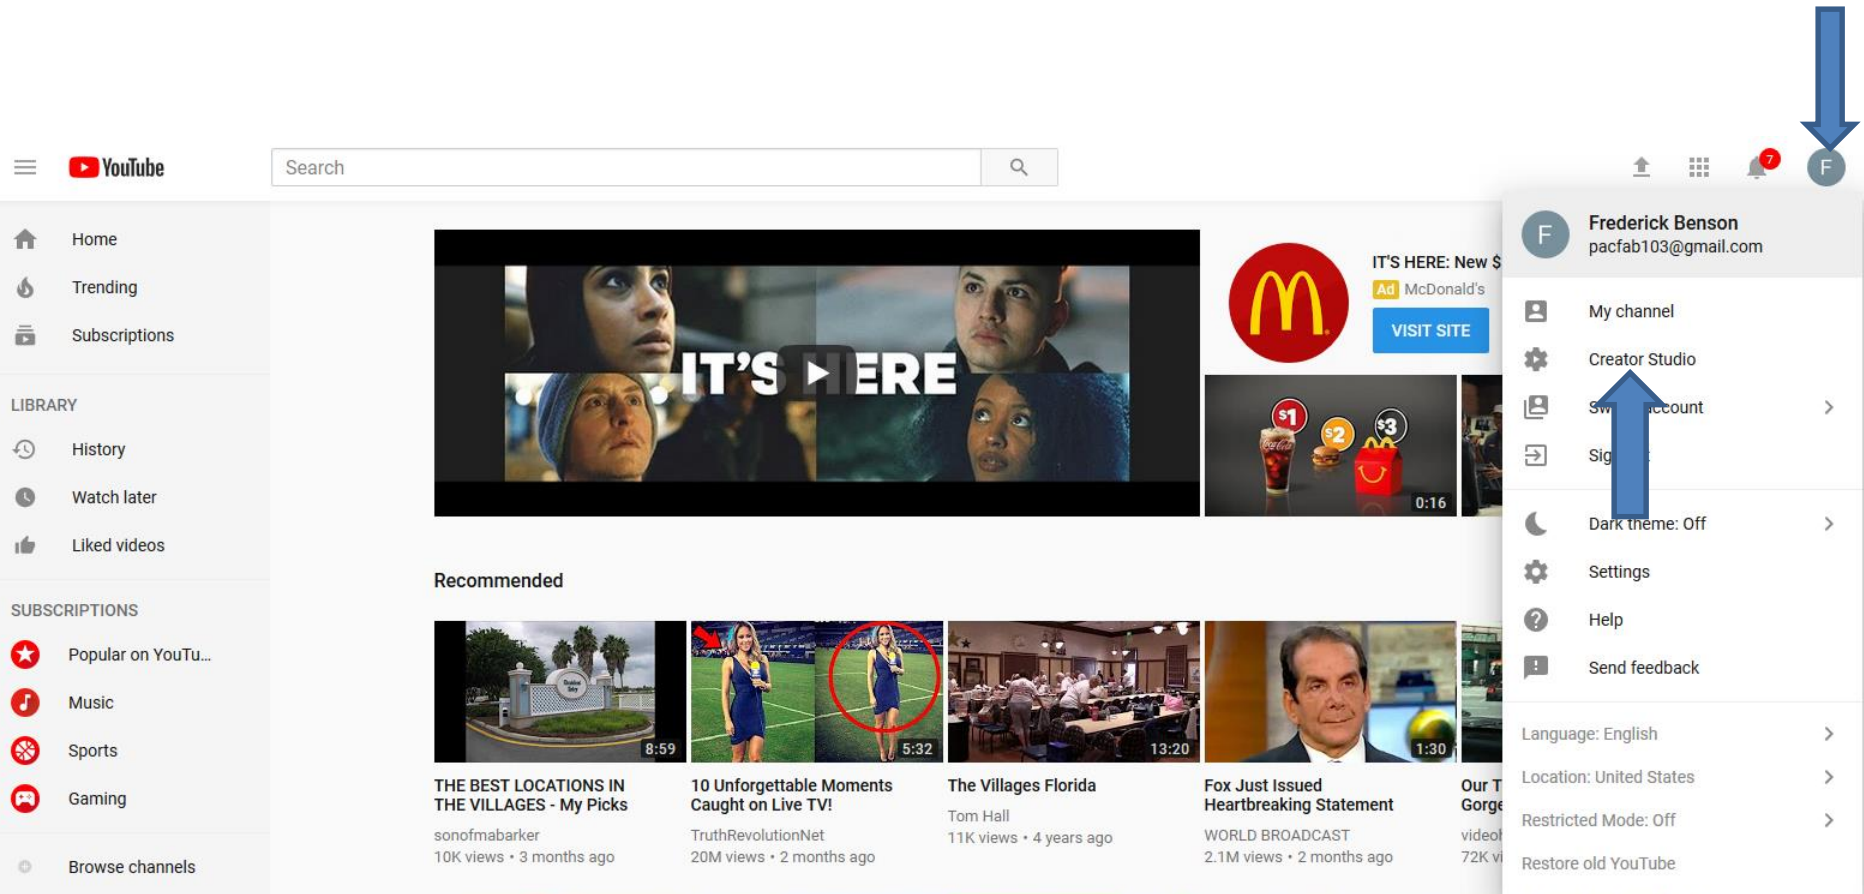

- Here is a sample of Move it to the Photos App Folder under Music Folder.
- Next is to download Music from YouTube.

- You need a Google Account, like Gmail. If you have Gmail, you click on  in the upper right and you see a list and click on YouTube.
- If you don't have a Google Account, you may want to forward to page 18 on this PDF file
- Next is what happens when you click on YouTube.

- It goes to YouTube and you click on you account in the upper right and then click on Creator Studio.
- Next is what happens.

- Page changes and you click on **CREATE** on the left.
- Next is what happens.

The screenshot shows the YouTube Creator Studio interface for the channel 'Frederick Benson'. The top navigation bar includes the YouTube logo, a search bar, and user profile icons. The left sidebar contains the 'CREATOR STUDIO' menu with options: DASHBOARD, VIDEO MANAGER, LIVE STREAMING, COMMUNITY, CHANNEL, ANALYTICS, TRANSLATIONS & TRANSCRIPTIONS, CREATE, and HELP & FEEDBACK. A large blue arrow points to the 'CREATE' button. The main content area displays the channel name 'Frederick Benson' with 22,917 views and 24 subscribers. Below this is a 'VIDEOS' section with three video thumbnails: 'Social Memorial BBQ May 2017', 'Email Basics Part 2 Download', and 'Step 3 Capture Fixed Region'. A 'WHAT'S NEW' section on the right contains a placeholder message: 'News will appear here.' The bottom of the page shows a 'TIPS' section.

- You see Audio Library with music. You then can type in, like Venice again in the Search music and click on the Entry Key.
- Next is what happens.

The screenshot shows the YouTube Creator Studio interface. On the left is a sidebar with navigation options: CREATOR STUDIO, DASHBOARD, VIDEO MANAGER, LIVE STREAMING, COMMUNITY, CHANNEL, ANALYTICS, TRANSLATIONS & TRANSCRIPTIONS, CREATE, Audio Library (highlighted), Music Policies, Video Editor, YOUR CONTRIBUTIONS, and Help and feedback. The main content area is titled 'Audio Library' and has tabs for 'Free music' and 'Sound effects'. Below the tabs is the text 'Browse and download free music for your project.' A search bar labeled 'Search music' is located in the top right of the music list, with a blue arrow pointing to it. The music list contains the following tracks:

- You see just one of them. You can click on Play on the left and/or click on Download on the right.
- Next is what happens when you download.

The screenshot shows the YouTube Audio Library interface. On the left is a sidebar with navigation options: CREATOR STUDIO, DASHBOARD, VIDEO MANAGER, LIVE STREAMING, COMMUNITY, CHANNEL, ANALYTICS, TRANSLATIONS & TRANSCRIPTIONS, and CREATE. The 'Audio Library' option is highlighted in red. The main content area has a blue header with the text 'Have different music in your video? Check its copyright policies'. Below this is the 'Audio Library' title and two tabs: 'Free music' (selected) and 'Sound effects'. The main text reads 'Browse and download free music for your project.' There are several filter dropdowns: Genre, Mood, Instrument, Duration, and Attribution. A search bar contains the text 'Venice'. Below the filters is a table of music tracks. The first track is 'Venice Beach' by 'Topher Mohr and Alex Elena', with a duration of 2:56 and a genre of 'Pop | Happy'. A play button is on the left of the track name, and a download icon and a star icon are on the right. Three blue arrows point to these elements: one to the play button, one to the search bar, and one to the download icon.
