

Step 3 – Download Other Effects

- **You first open ManyCam as I showed you in Step 1.**
- **Next is a sample of open it again.**

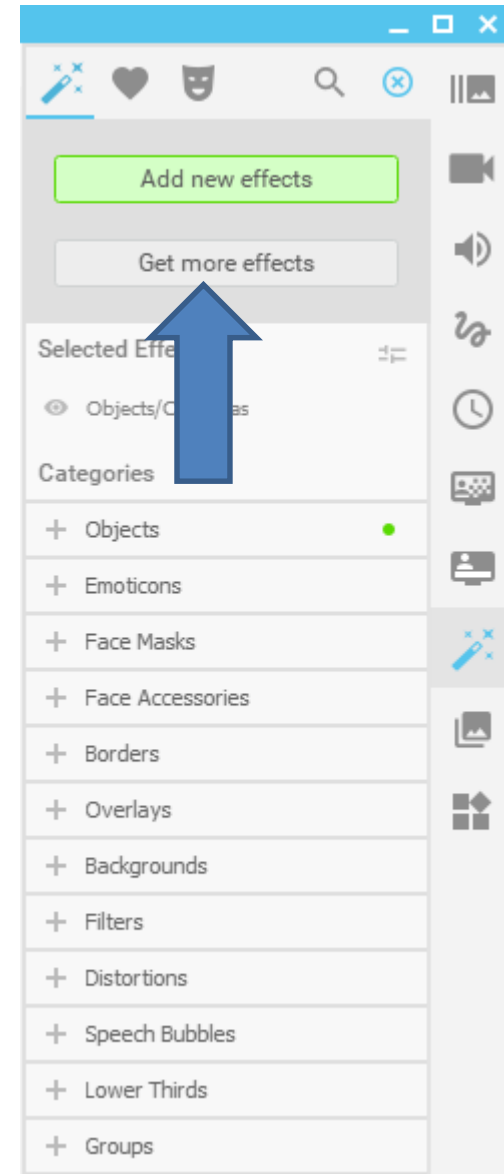

- You click on  Effects Icon on the right as I showed you in Step 2. Next is what happens and how to Download Other Effects.

- To download other Effects, you click on  in the upper right first.
- Next is what happens.

- You see two things. Click on Get more effects.
- When you click on it, it goes to the website, if you have internet.
- Next is a sample.

- It opens in your default Browser and you see a list of Effects. You can scroll down to see more or you can Search effects. Next is what happens when you click on Search effects.

The screenshot shows a web browser window displaying the ManyCam website. The browser's address bar shows the URL: https://download.manycam.com/effects/top_downloadable/#.WZiI9CiGOM8. The website header includes the ManyCam logo, navigation links for Download, Features, Blog, Help, and Buy Now!, and a Log In button. The main content area has a blue background with the text "ManyCam Filters and Effects" and "Over 10,5K effects available for download." Below this, there are buttons for Windows and OS X. A search bar with the text "Search effects" is visible on the right. A large blue arrow points down from the search bar, and another blue arrow points right from the search bar. The left sidebar contains a list of effect categories: ALL EFFECTS, NEW FROM MANYCAM, CAMERA EFFECTS (Distortions: 15, Filters: 60), FACE ACCESSORIES (Eye Accessories: 279, Hats & Hair: 351, Masks: 1383), and FULL SCREEN EFFECTS. The main content area shows "Most Popular Effects" with a "See all" button. Four effect cards are displayed: "Afro hair" (5 stars), "dancing lady" (5 stars), "Bounce" (5 stars), and "deca" (5 stars). Each card includes a thumbnail image, the effect name, a star rating, and a share icon.

- When you click on Search effects, you see a space to type. I typed in donald trump. Once complete, click on the  Icon on the right.
- Next is what happens.

- Page changes and you see them. You scroll down a little and Hover Over one and then click on Download.
- Next is what happens.

The screenshot shows the ManyCam website interface. At the top, there is a navigation bar with links for 'Download', 'Features', 'Blog', 'Help', and 'Buy Now!'. A user account icon is visible in the top right corner. The main banner is blue and contains the text 'ManyCam Filters and Effects' and 'Over 10,5K effects available for download.' Below this, there are tabs for 'Catalog', 'Featured', and 'Create Effects'. A search bar contains the text 'donald trump'. To the right of the search bar is a dropdown menu for 'All Categories' and a search icon. Below the search bar, there are filters for 'Show order: Most Popular' and 'Supported by: All versions'. A checkbox for 'Only Video Preview' is also present. The main content area displays two filter cards. The first card shows a close-up of Donald Trump's face with a blue arrow pointing down to a green 'Download' button. The second card shows Donald Trump in a red cap and brown jacket, pointing, with the title 'Donald Trump Approve' and a star rating. A blue arrow on the right side of the blue banner points towards the right.

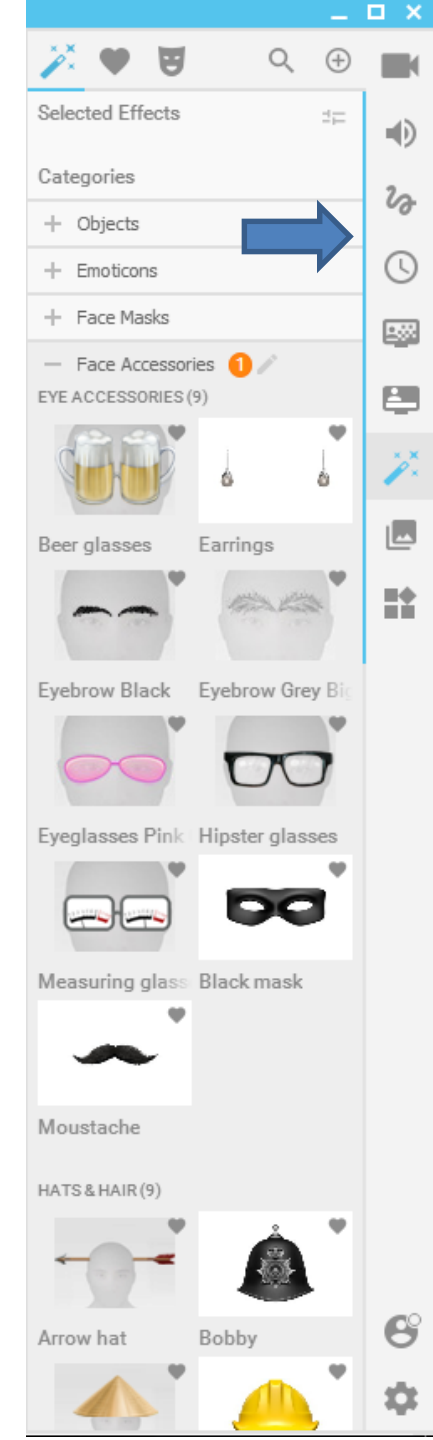

- It depends on which Browser as I showed you before. Here is a sample with Firefox and when you click on Open and click on OK, it downloads to ManyCam and opens ManyCam.
- Next is how to find it.

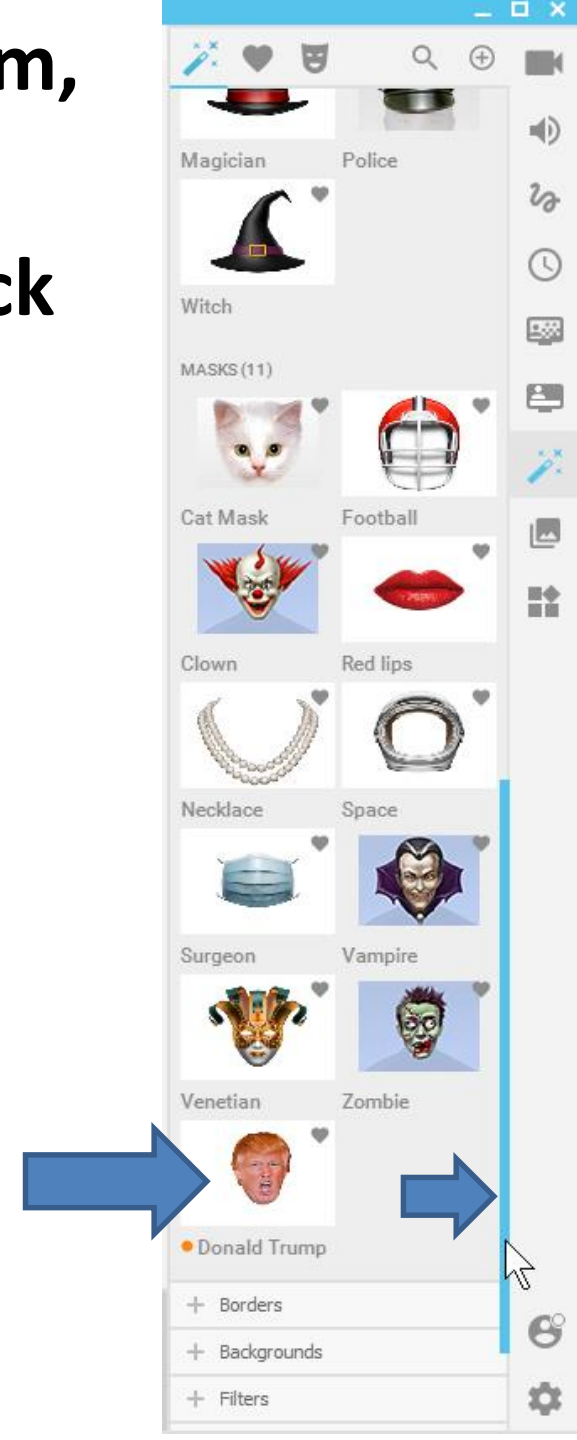

- You have to click on Face Accessories again.
- Next is what happens and how to find it.

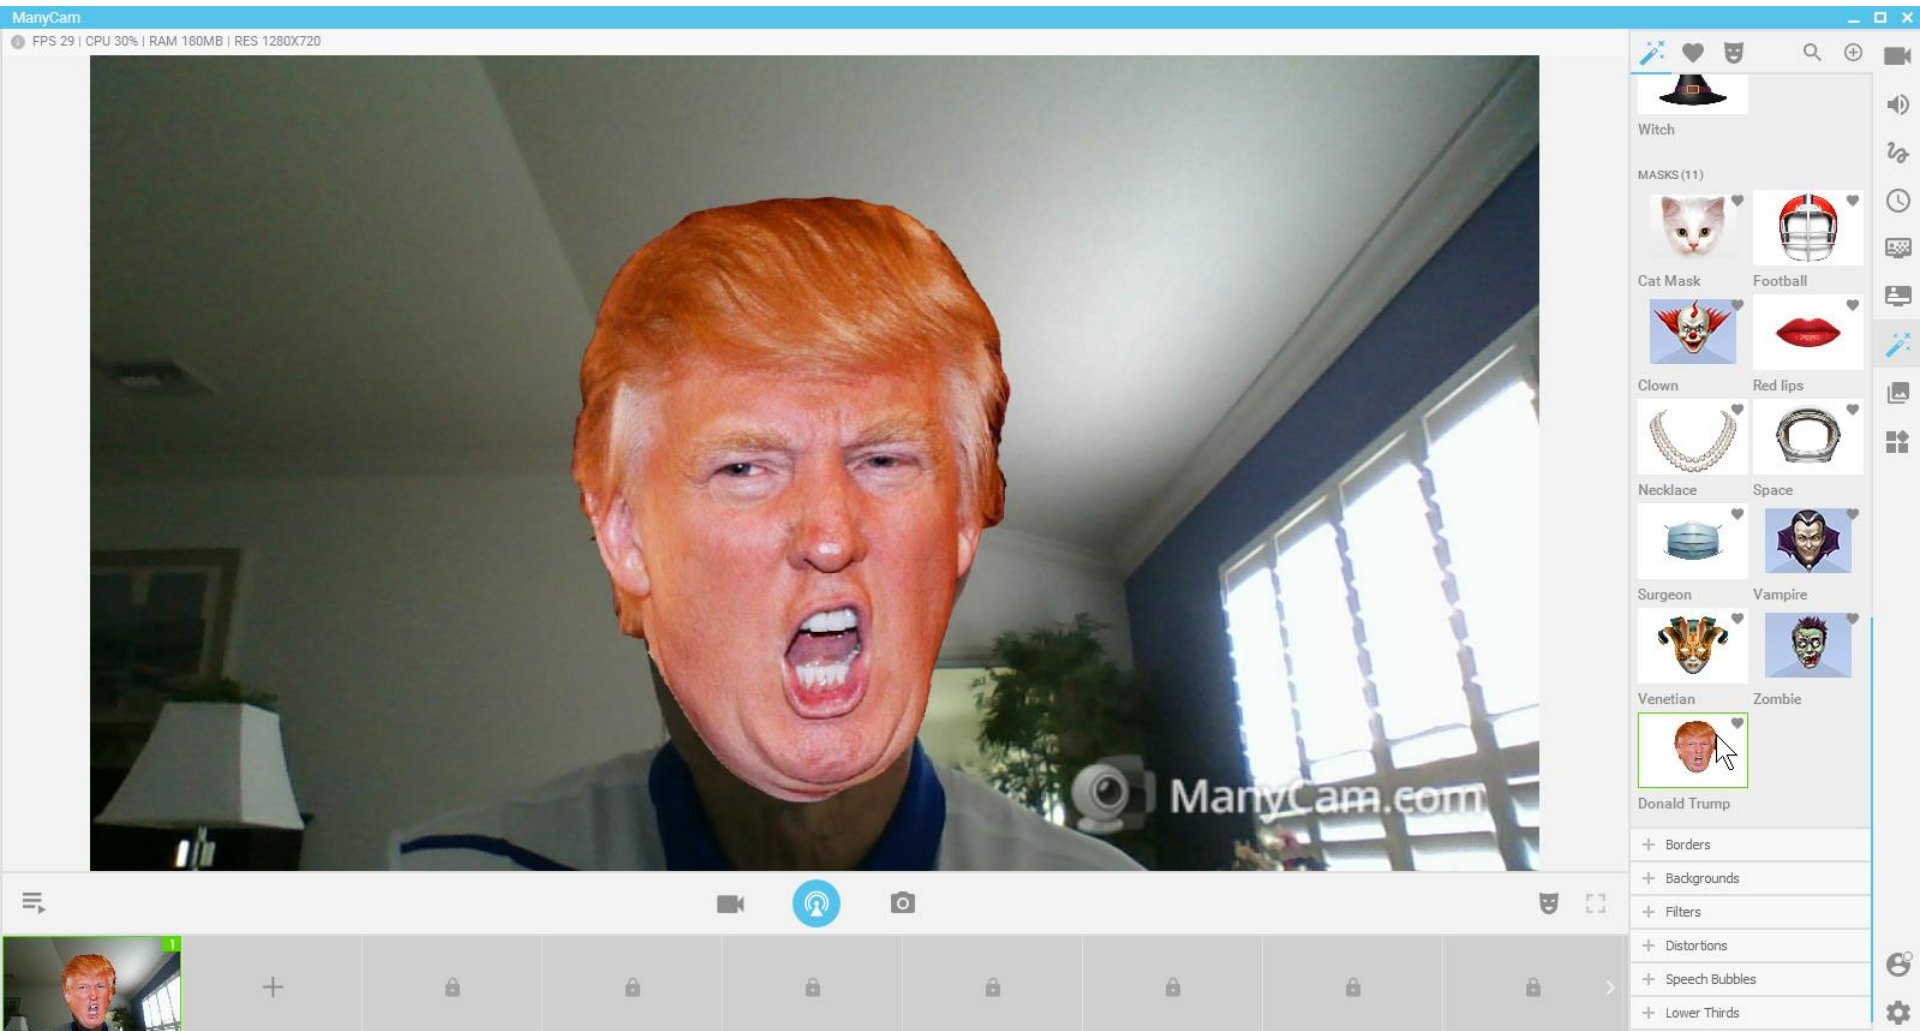

- You see a list again and you have to scroll down to the bottom.
- Next is what happens.

- When you scroll down to the bottom, you see him.
- Next is what happens when you click on it.

- You then see it on top of my face. When you click on it again, it does not show it.
- Next is other Effects.

• I went to the website again and did a search for Christmas and I found 3 ones I like and downloaded them. Here is a sample of added the 3 effects I downloaded. This is the End of Step 3.
