Step 3 - Part 2 – How to Download Free Music with aTube Catcher

- aTube Catcher typically downloads music from YouTube videos, which are public.
- There may be a copyright issue if you sell it.
- Next is when you open aTube Catcher, like I showed you in Step 3 - Part 1.

After you download and open it, this is what it looks like with the features. Next is Music.

Click on Music to download Music. Next is what happens.

• A new window opens and you can Search, which is

next. Note – I zoomed in so you can see it

- If you have used Step 1 to add folder, and added a Music folder under, you may want to use that for download.
- The other option is find another folder or add a new folder.
- I decided to add Christmas folder.
- Next is what happens when you click on the lcon.

 New window opens and find the folder you want and you Make New Folder. Next is a sample.

Here is a sample and then click on OK and next is what happens.

 You then see it and click on Save and next is what happens.
