

Step 5 – Part 1 – How to download Smilebox with different Browsers

- **To download Smilebox, you open your Browser and type in smilebox.com and click the Enter Key.**
- **Next is a sample of the website.**

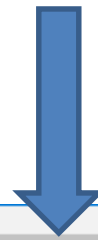

- Here is the smilebox website. Sometimes a new window opens. I recommend you click on X to close it. Next is what happens.

Window closes and you see **DOWNLOAD NOW**. Next is what happens when you click on it in a Edge Browser in Windows 10. After that is what happens with Internet Explorer in page 5, Firefox in page 6, Google Chrome in Page 8, and Opera in Page 9. You may want go to the page with your Browser.

- **When you click on **DOWNLOAD NOW** in the Edge Browser, a new window opens at the bottom.**
- **I recommend you click on Run.**
- **Page 11 in this PDF file shows you what happens when you click on Run. You may want to forward to Page 11.**
- **Next is what happens when you click on **DOWNLOAD NOW** in the Internet Explorer Browser.**

What do you want to do with SmileboxInstaller_v4.2.2123.1.exe?
From: secure.smilebox.com

Run

Save

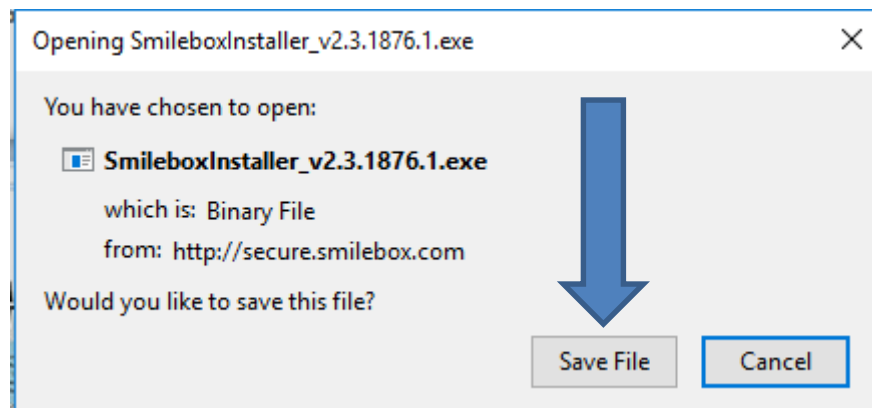

Cancel

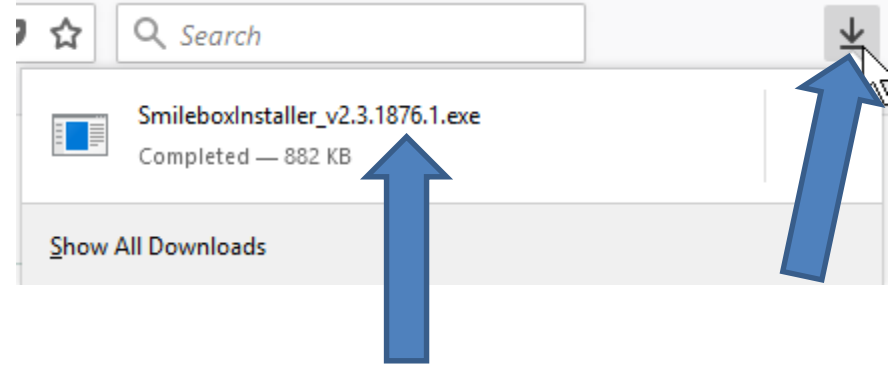

- When you click on **DOWNLOAD NOW** in the Internet Explorer Browser, a new window opens at the bottom that is similar to Edge.
- I recommend you click on Run.
- Page 11 in this PDF file shows you what happens when you click on Run. You may want to forward to Page 11.
- Next is what happens when you click on **DOWNLOAD NOW** in the Firefox Browser.

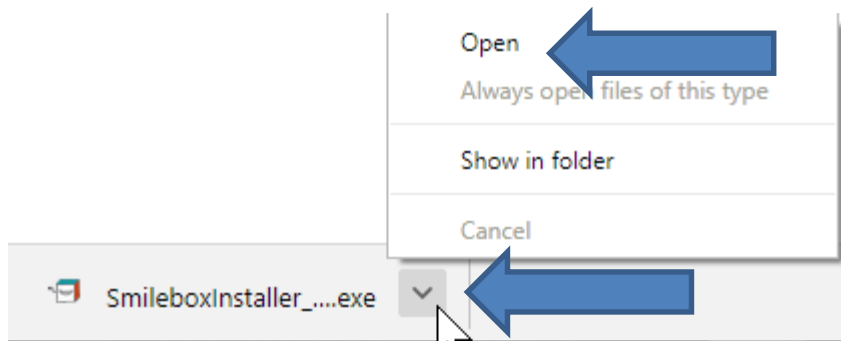

- **When you click on **DOWNLOAD NOW** in the Firefox Browser, a new window opens in the middle.**
- **I recommend you click on Save file.**
- **Next is what happens when you click on Save File.**

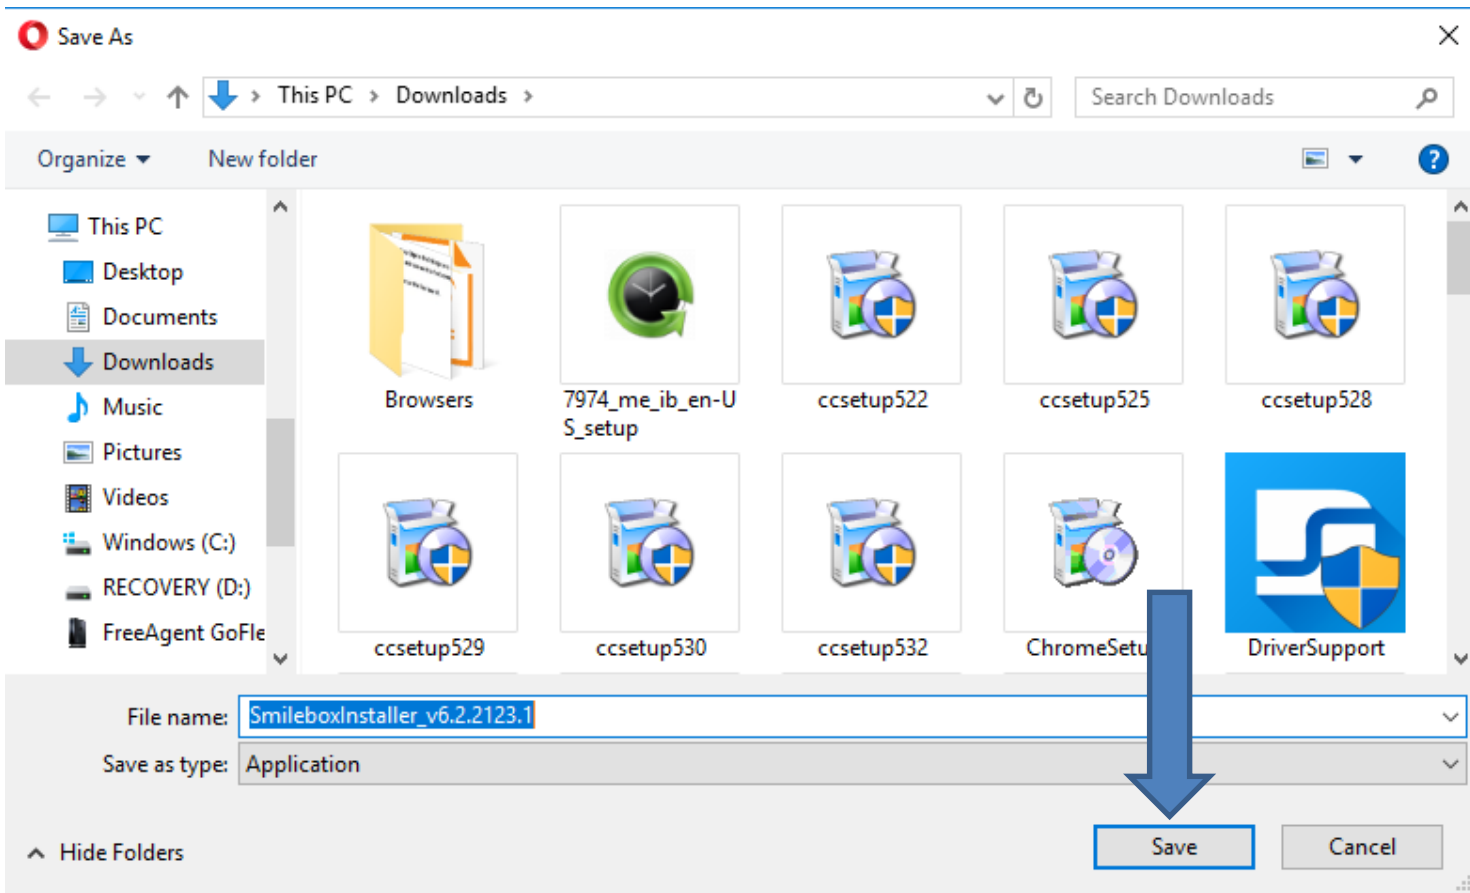

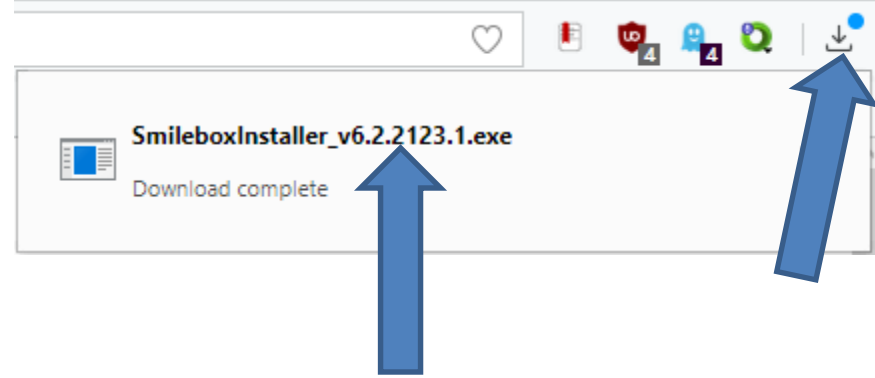

- It downloads a file to your Downloads folder.
- In the upper right there is a Download Icon. When you click on it, you see the file. You can click on it or double click on it to start Download Smile Box.
- Page 11 in this PDF file shows you what happens when you click on it. You may want to forward to Page 11.
- Next is what happens when you click on **DOWNLOAD NOW** in the Google Chrome Browser.

- **When you click on **DOWNLOAD NOW** in the **Google Chrome Browser**, a new window opens in the lower left. When you click on it, a new window opens with a list and I recommend you click on **Open**.**
- **Page 11 in this PDF file shows you what happens when you click on **Open**. You may want to forward to **Page 11**.**
- **Next is what happens when you click on **DOWNLOAD NOW** in the **Opera Browser**.**

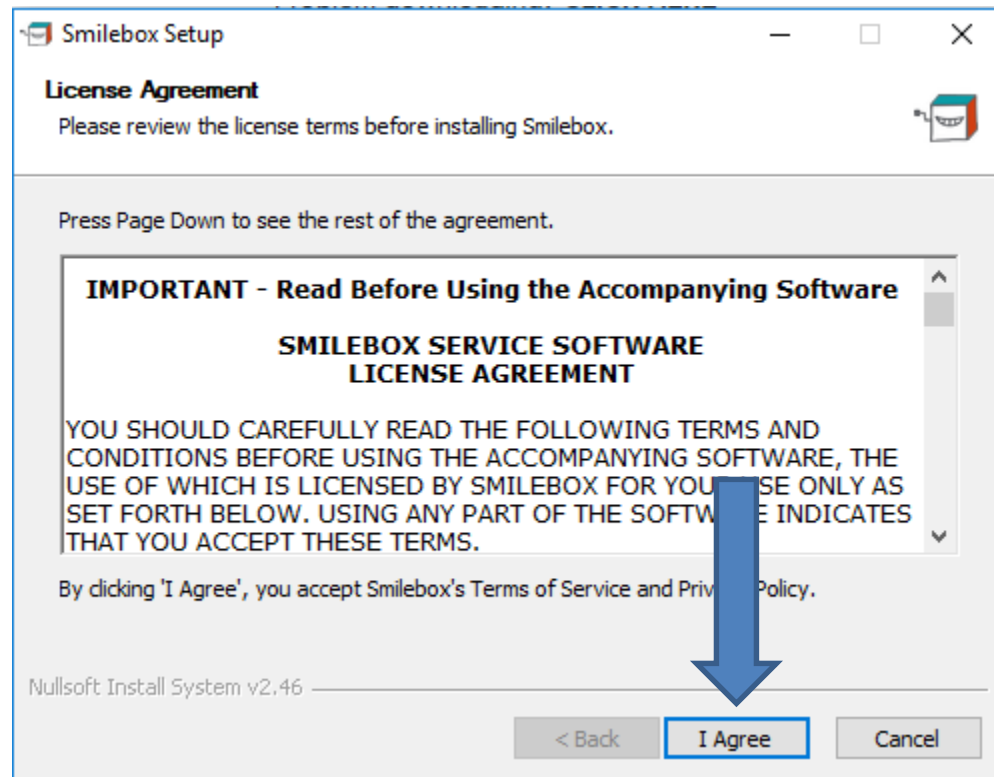

- When you click on **DOWNLOAD NOW** in the Opera Browser, a new window opens, like File Explorer and it shows Downloads folder. You can find another folder or add a New Folder. Once complete, click on Save and next is what happens.

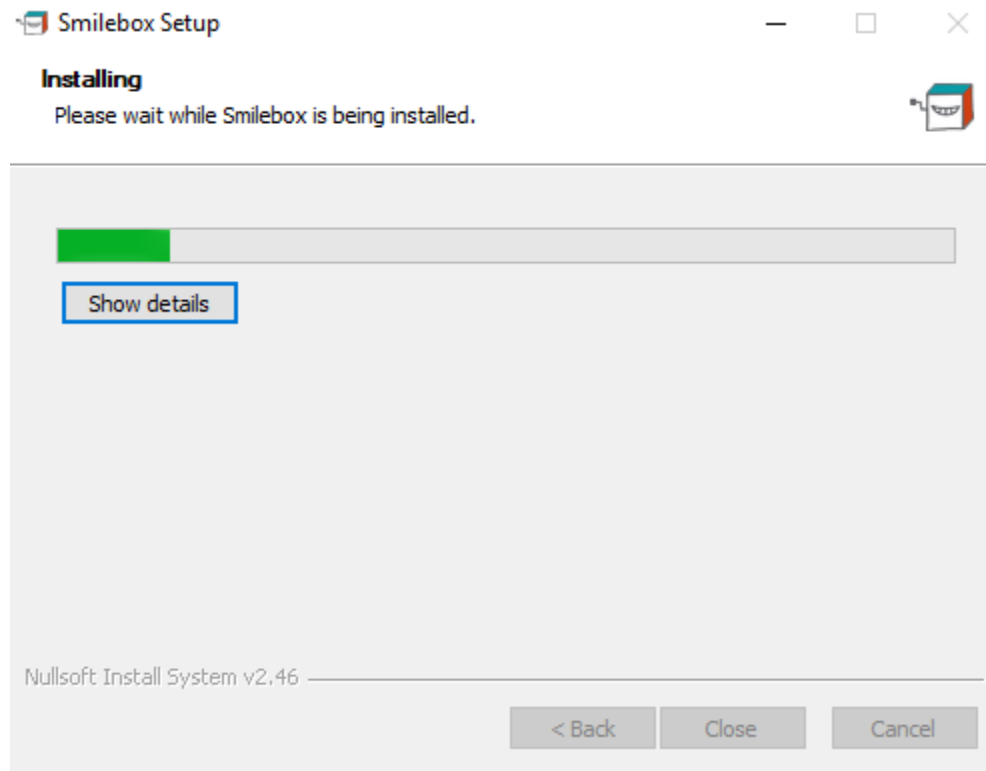

- **Window closes and it downloads a file to the folder you selected.**
- **In the upper right there is a Download Icon, like Firefox. When you click on it, you see the file. You can click on it or double click on it to start Download Smile Box.**
- **Next is what happens when you click on it or the other Browsers.**

- When you click on Run in Edge or Internet Explorer, or click on the file in Firefox or Opera, or click on Open in Google Chrome, it starts to download Smilebox and a new window opens and you click on I Agree. Next is what happens.

- **Window changes and it shows it in process. Next is what happens when it is complete.**

- When complete, it typically opens the Smilebox program and a new window opens to ask you to Create Account or No Thanks. Next explains why to Create Account vs. No Thanks.

The screenshot shows the Smilebox website interface. At the top, there are navigation steps: 1 CHOOSE, 2 PERSONALIZE, 3 PREVIEW, and 4 SHARE, PRINT, or DVD. The main header includes the Smilebox logo, navigation tabs for DESIGN CATALOG, MY DESIGNS, and MY CREATIONS, and a search bar. A central pop-up window is displayed, titled "Please create an account using your email address". The pop-up contains the Smilebox logo, a list of benefits (free account, account needed for email/post/print/burn, and no sharing of email), and a registration form with fields for Email Address, First Name, Last Name, Password, and Password again. There is a checkbox for signing up for a newsletter and a link for existing users. At the bottom of the pop-up are two buttons: "No Thanks" and "Create Account", with blue arrows pointing to them from the text above. The background of the website shows various design categories like CHRISTMAS, BIRTHDAY, SPECIAL DAYS, THANK YOU, GRADUATION, SCHOOL, THINKING OF YOU, and FAMILY & KIDS.

- **The reason to Create Account is to send a Ecard Video.**
- **When you send a Ecard, it goes to your account in the Smilebox.**
- **Next is a sample of Create Account.**

- You type in your Email Address, First Name, Password, Password again. Then click on Create Account and next is what happens.

Please create an account using your email address

- Your Smilebox account is free
- You need an account to email, post, print, or burn to DVD
- Your email address will not be shared with any third parties

- Window closes and you see My Account in the upper right. Next I will zoom in, so you can see it.

- You then you see it. Next is what happens when you click on it.

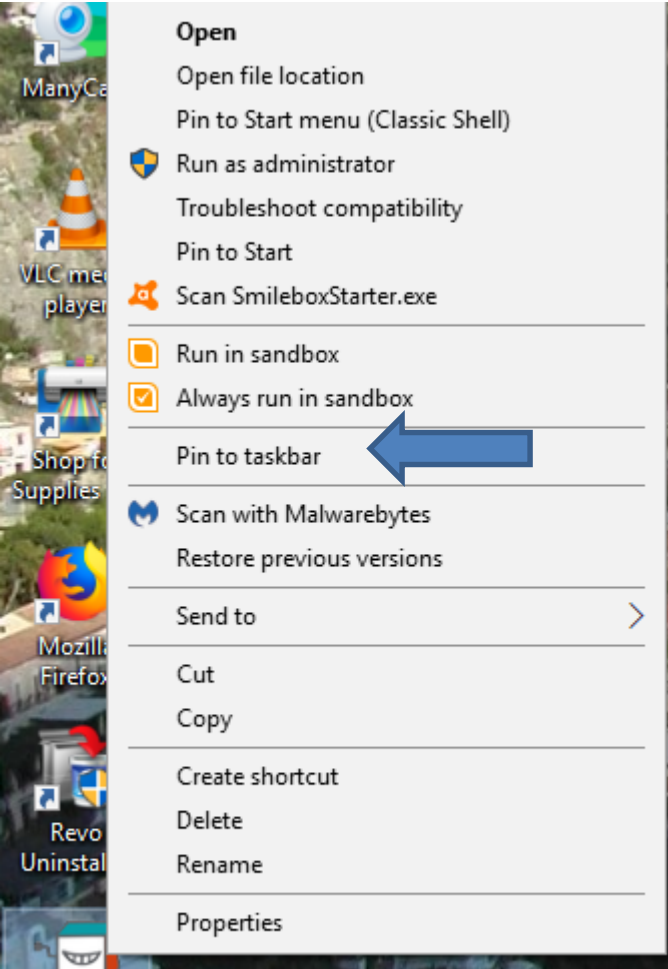

- Your default Browser opens and you see your account in the Smilebox website. Next is a sample of the Smilebox Icon on your Desktop.

- Here is a sample of the Smilebox Icon on your Desktop. Next is how to Pin it to Taskbar. The reason is it is easier to open it.

- You right click on the Icon and a new window opens with a list and you click on Pin to taskbar. Next is what happens.

- **Window closes and you see the Icon your Taskbar.**
- **Below is a sample on my Windows 10.**
- **This is the End of Part 1.**
