

Tip – How to change Background Color with Edit HTML / CSS.

- As I mentioned in Step 2 – Part 2, you can change the background color on the top and bottom of the Section with another Theme.**
- I decided to Pick the color Code of the Section background using PicPick, which is in the Tip – How to Pick your Color on an Image or something else.**
- Next is to how to get to the first Theme that we did in the First Course. It is the same process as I showed you in the First Course.**

- You click on Theme and then click on Change Theme.
- Next is what happens again.

- Page changes to Theme Gallery and you click on Recently Used.
- Next is what happens again.

- Page changes to Recently Used and then click on Choose on this Theme. Note – If you don't have it, you have to go to All Themes and click on Other to find it. Next is what happens when you click on Choose.

× Close Theme Gallery Import Theme

Unite 2 - Personal ✓ Using

Cento - Portfolio [Preview](#) [Choose](#)

Dusk - Event [Preview](#) [Choose](#)

• You then see this Theme in the Build page. Click on Theme again and next how to get to Edit HTML.

The screenshot shows the Weebly 'Build' interface. At the top, a navigation bar includes 'Build', 'Pages', 'Theme', 'Store', 'Apps', 'Settings', 'Help', and a 'Publish' button. A blue arrow points to the 'Theme' tab. The main content area displays a theme preview for 'BUILD WEBSITE FREE COURSE'. The preview includes a navigation menu with 'HOME', 'ABOUT', 'CONTACT', 'TEST', and 'ABOUT' links. Below the menu is a text block with the following content:

The purpose of Build Website Free is to use Weebly.com. I use to teach at The Villages Lifelong Learning College. But it will be closed in 2017. But, The Villages decided to do Lifelong Learning College in Rec Centers. They call it Enrichment Academy. I know teach at Enrichment Academy. Click Here to see more details about the courses. I use to work and teach computer software, but I am now retired. Click Here to learn more about me. Links page provides links to Computer Basics Websites and The Villages Websites. If you have any Questions and/or Comments, Contact me. Note - if something happens to me, this website will not be available. Hopefully, it will be a number of years.

The Villages Computer Associated Technical Clubs web site has a list of Computer Clubs and a link to Tech Help. If you want to find more clubs and Recreation Center Activities, there is a great website called The Villages Activities that provides the information.

At the bottom right of the preview, it says 'Proudly powered by Weebly'. On the left side, a sidebar contains editing tools categorized into 'BASIC' (Title, Text, Image, Gallery, Slideshow, Map, Contact Form, Newsletter Form, Button, Embed Code), 'STRUCTURE' (Section, Divider, Spacer), and 'MEDIA' (Video, Audio).

- Once you click on Theme, you see Edit HTML / CSS at the bottom and click on it and next is what happens.

The screenshot shows the Weebly website editor interface. At the top, there is a navigation bar with the following items: 'Build', 'Pages', 'Theme', 'Store', 'Apps', 'Settings', 'Help -', and a mobile device icon. On the right side of the navigation bar, there are 'Upgrade' and 'Publish' buttons. Below the navigation bar, the main content area displays the title 'BUILD WEBSITE FREE COURSE' and a navigation menu with links for 'HOME', 'ABOUT', 'CONTACT', 'TEST', and 'ABOUT'. The main content area contains two paragraphs of text. The first paragraph discusses the purpose of 'Build Website Free' and mentions 'Weebly.com', 'The Villages Lifelong Learning College', and 'Enrichment Academy'. The second paragraph mentions 'The Villages Computer Associated Technical Clubs' and 'The Villages Activities'. At the bottom right of the page, it says 'Proudly powered by Weebly'. On the left side, there is a dark sidebar with the title 'Theme' and two options: 'Change Theme' and 'Change Fonts'. At the bottom of the sidebar, there is a 'Guides' section with a toggle switch set to 'OFF' and an 'Edit HTML / CSS' button. A blue arrow points from the 'Theme' menu item in the navigation bar to the 'Edit HTML / CSS' button in the sidebar.

- Page changes and I recommend you click on the White Icon. Next is what happens.

The screenshot shows a code editor interface with a dark theme. On the left is a sidebar with a file explorer showing folders for 'MyTheme', 'HEADER TYPE', 'STYLES', 'PARTIALS', and 'ASSETS'. The 'STYLES' folder is expanded, showing 'main.less' selected. The main editor area displays CSS code with line numbers 1 through 16. A blue arrow points to a white square icon in the top-left corner of the editor area. The top-right corner has 'CANCEL' and 'SAVE' buttons. Below the code editor is a live preview of a website. The website has a white background with a dark header. The header contains the text 'BUILD WEBSITE FREE COURSE' in bold, uppercase letters. Below the header is a navigation menu with links: 'HOME', 'ABOUT', 'CONTACT', 'TEST', and 'ABOUT'. The main content area has a light gray background and contains two paragraphs of text.
