

# **Step 8 – Part B – Add Captions**

- Caption adds text to photo(s)/video(s).**
- Note – as I mentioned before, if you added a Caption to a picture in Photo Gallery and put that in Movie Maker, the Caption shows up in Movie Maker.**
- Next is how to add a Caption on Photo. If you want Caption on the Video, you can follow the same process as Photo. I will show you a sample at the end.**

# First click on a Photo

- Make sure you are on Home tab for the next step.

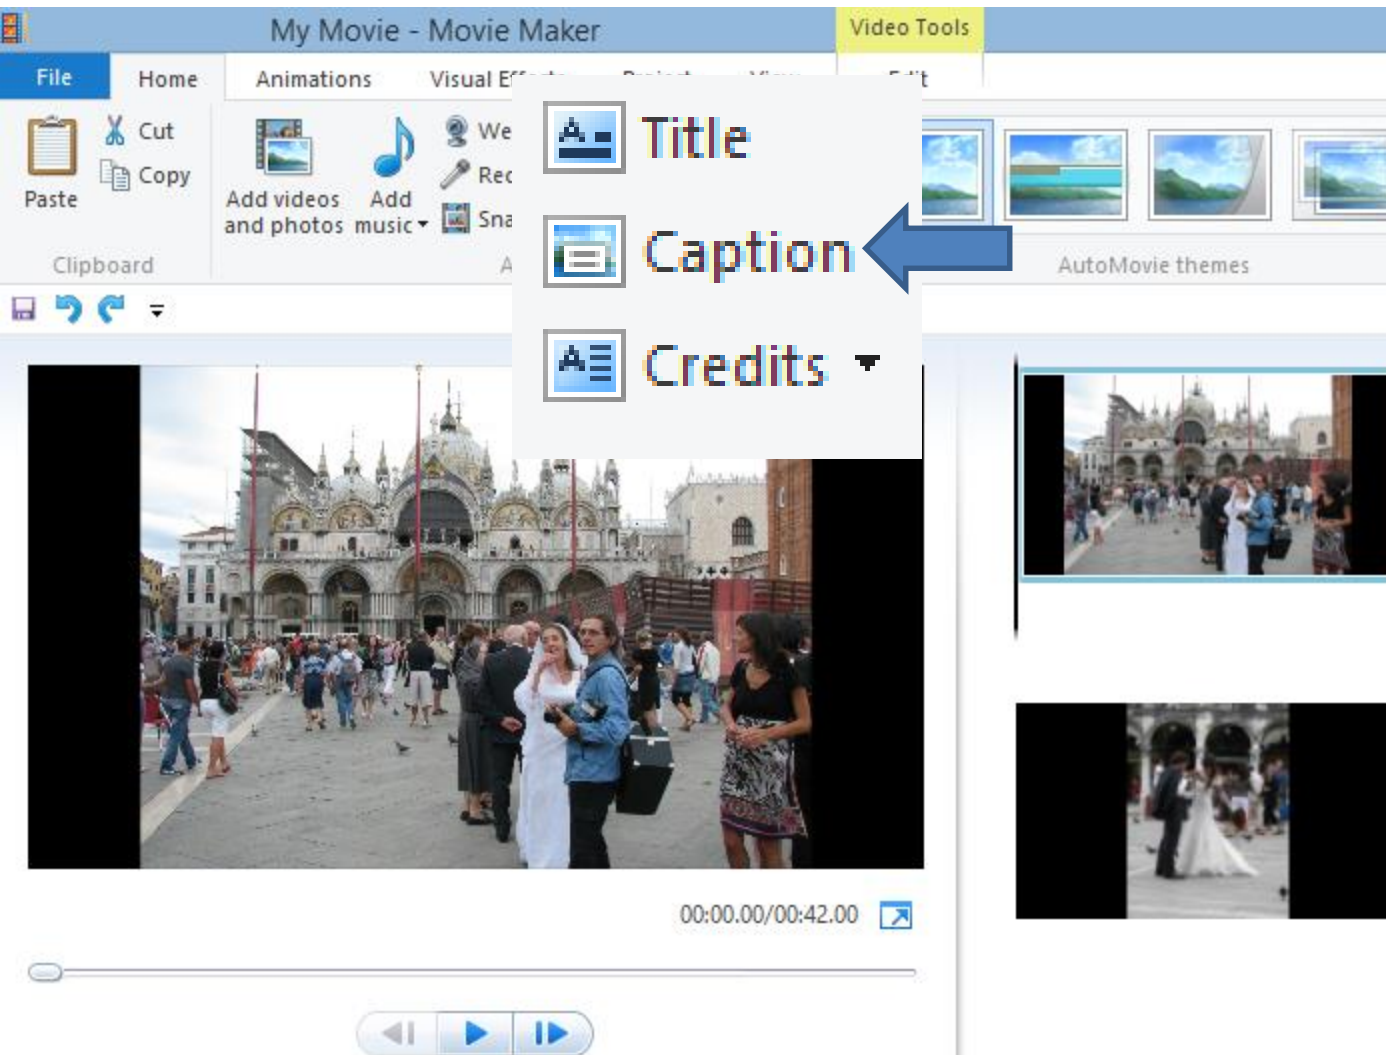

00:00.00/00:42.00

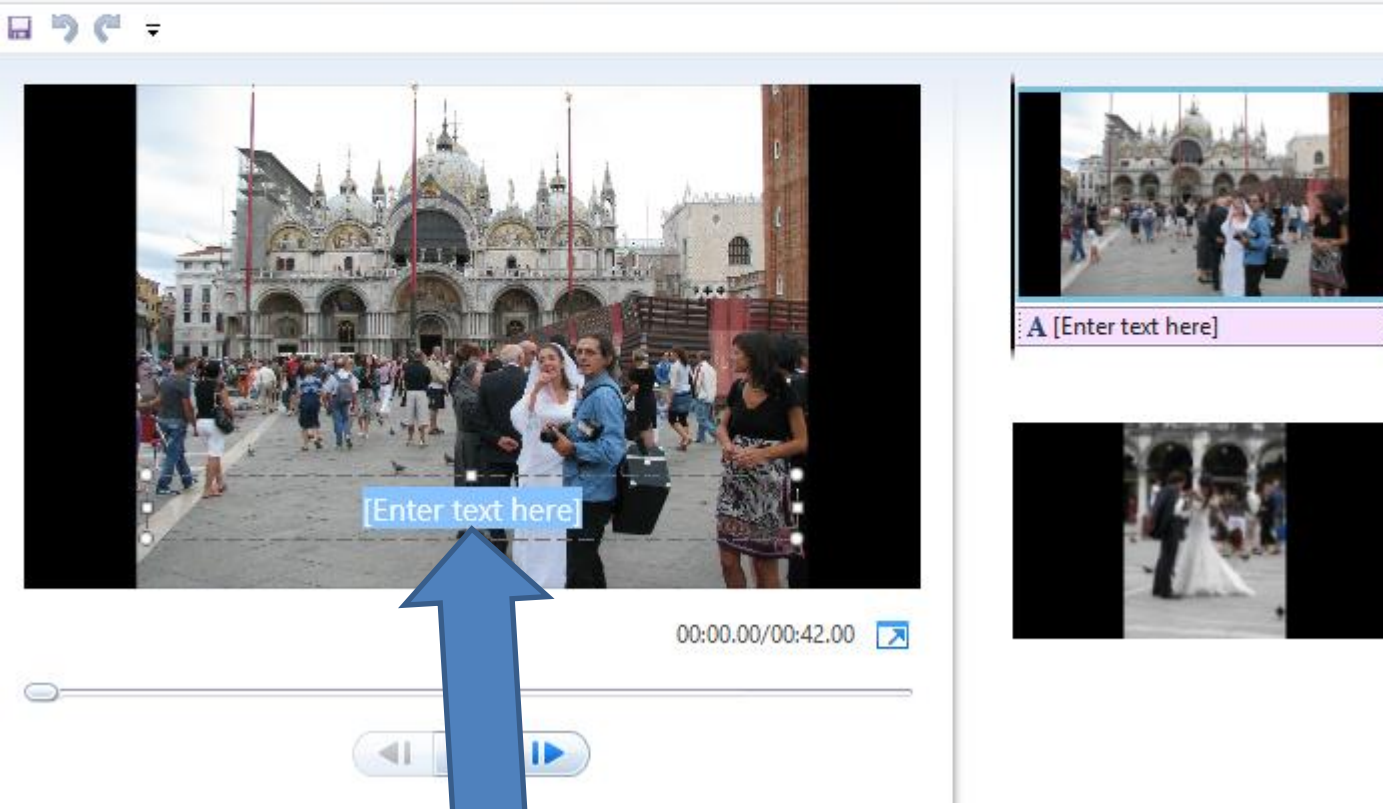

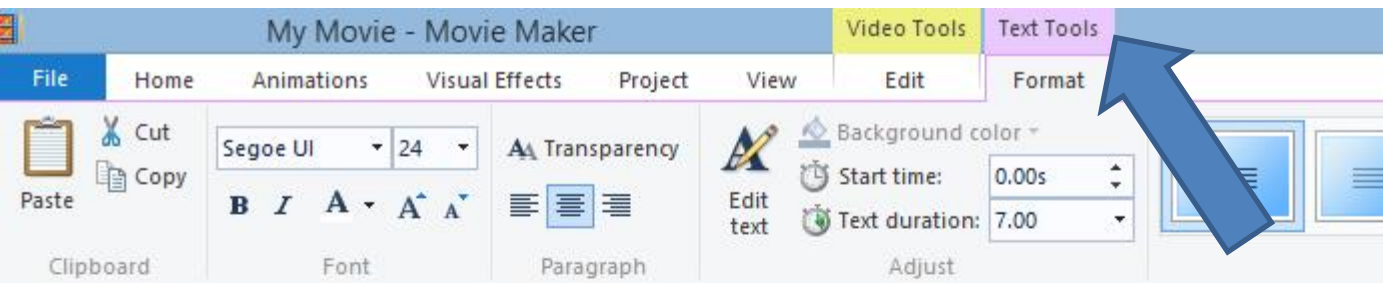

# Then click on Caption

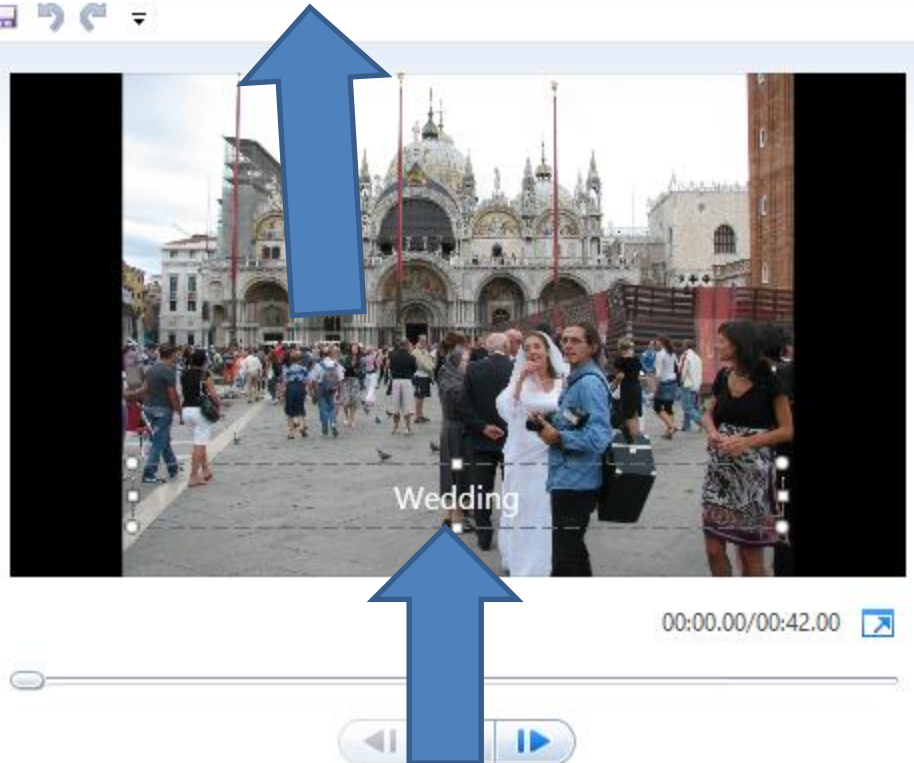

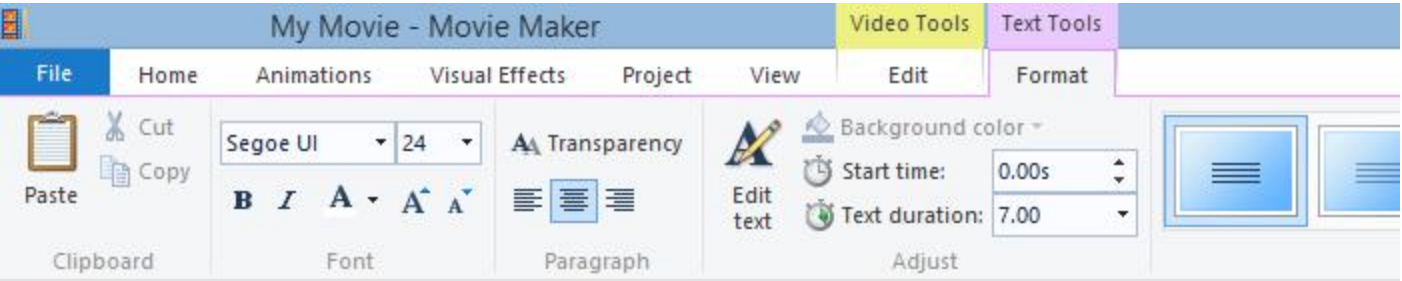

- I will zoom in. Next is what happens.

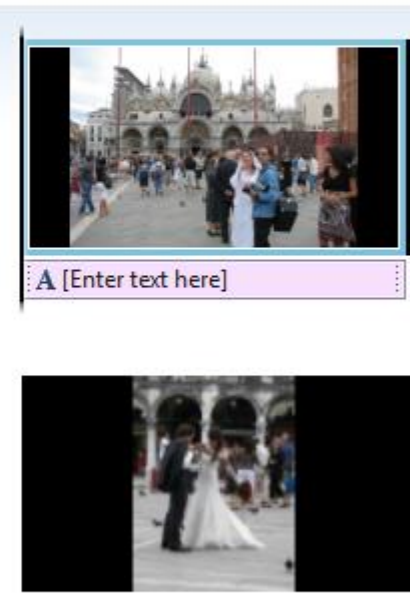

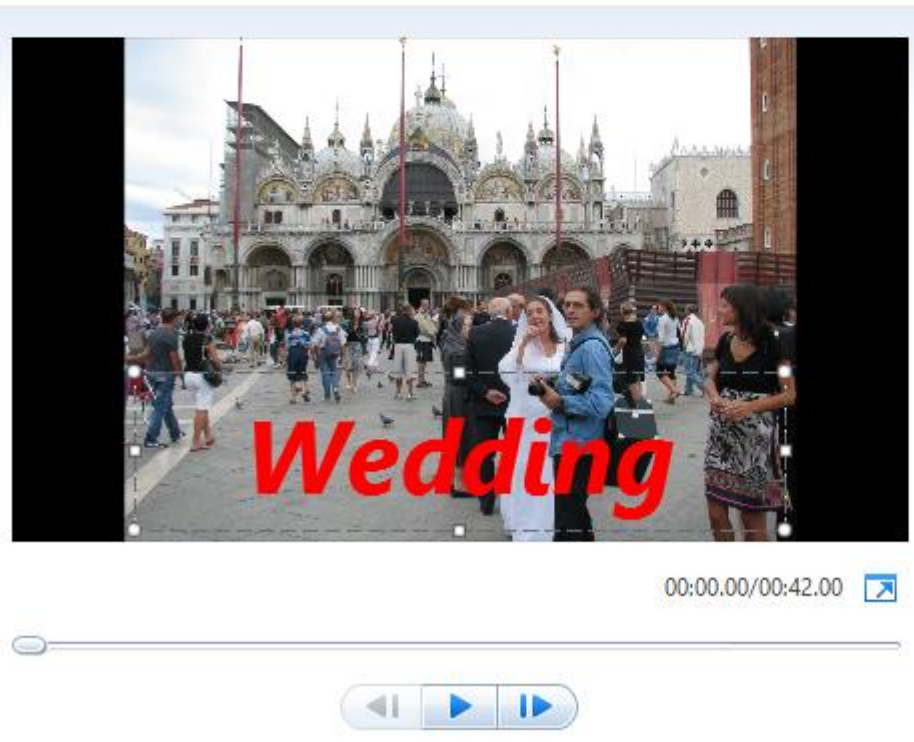

Tab changes to Text Tools, like Title and you see Enter text here on the Photo. Next is follow the same process as Title.

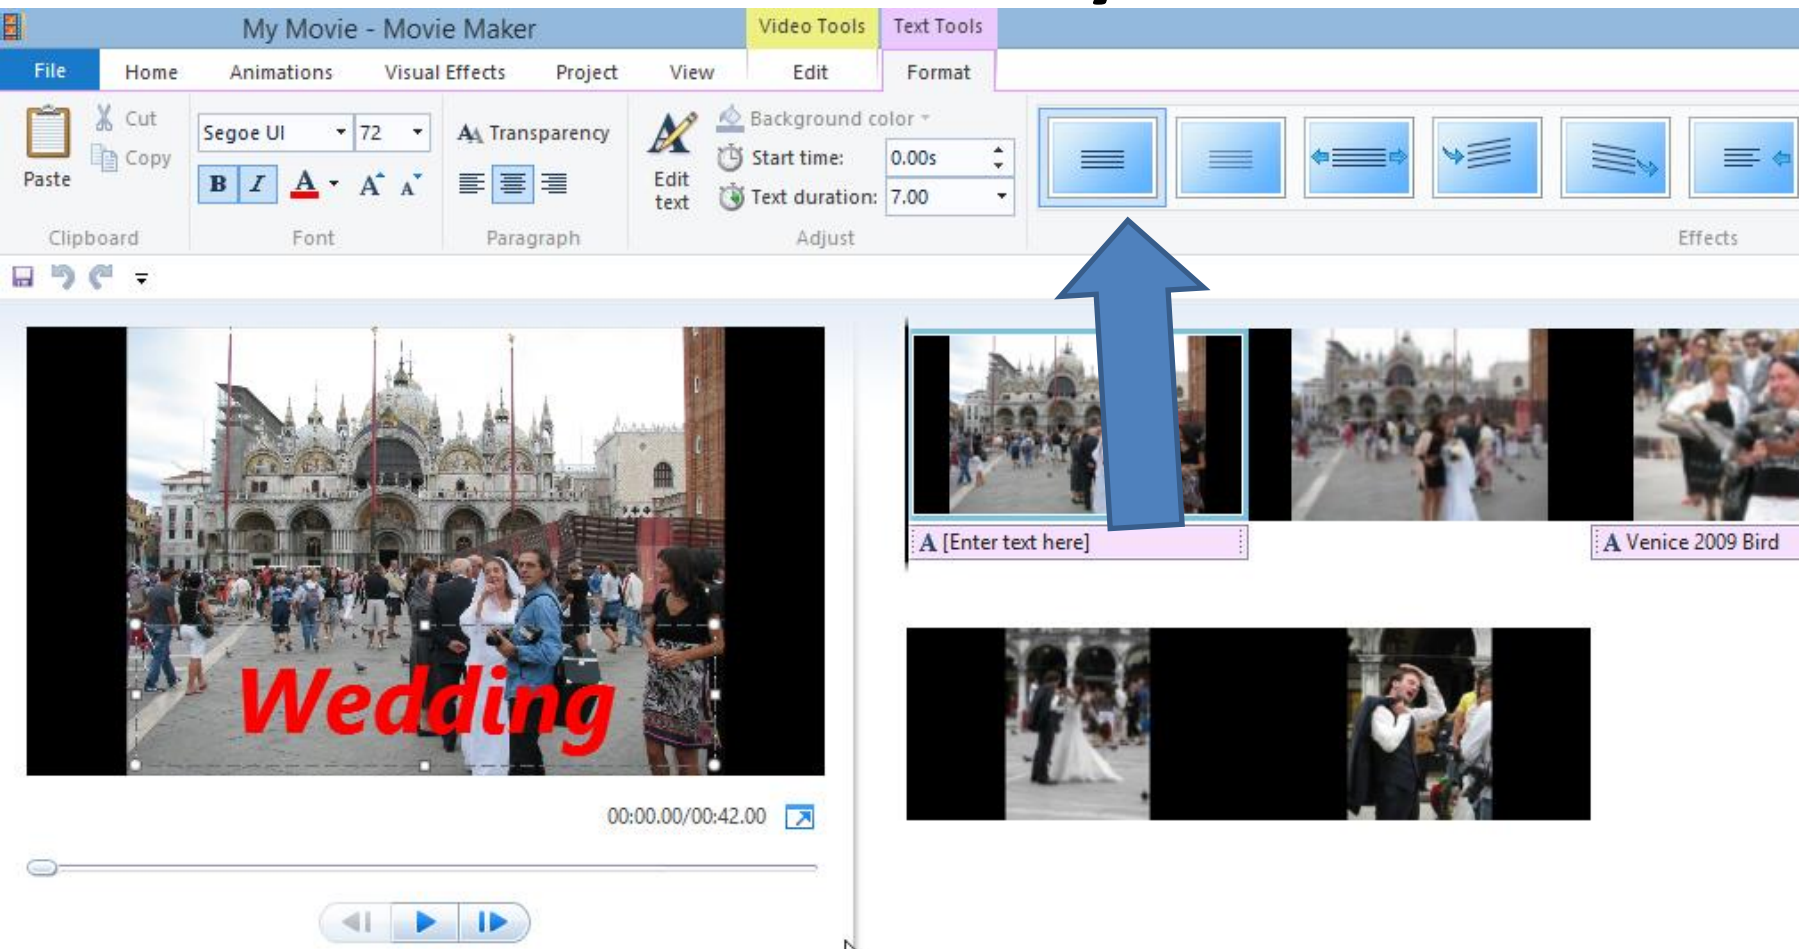

- Here is a sample of Wedding. You then can change the Text and it is the same as Title. You can practice again. Next is a sample.

Here is a sample – changed to bold, size of 72, and Italic. Next is change Effects of Text.

# You can also change the Effects of the Text. Hover over each one and you see the effects.

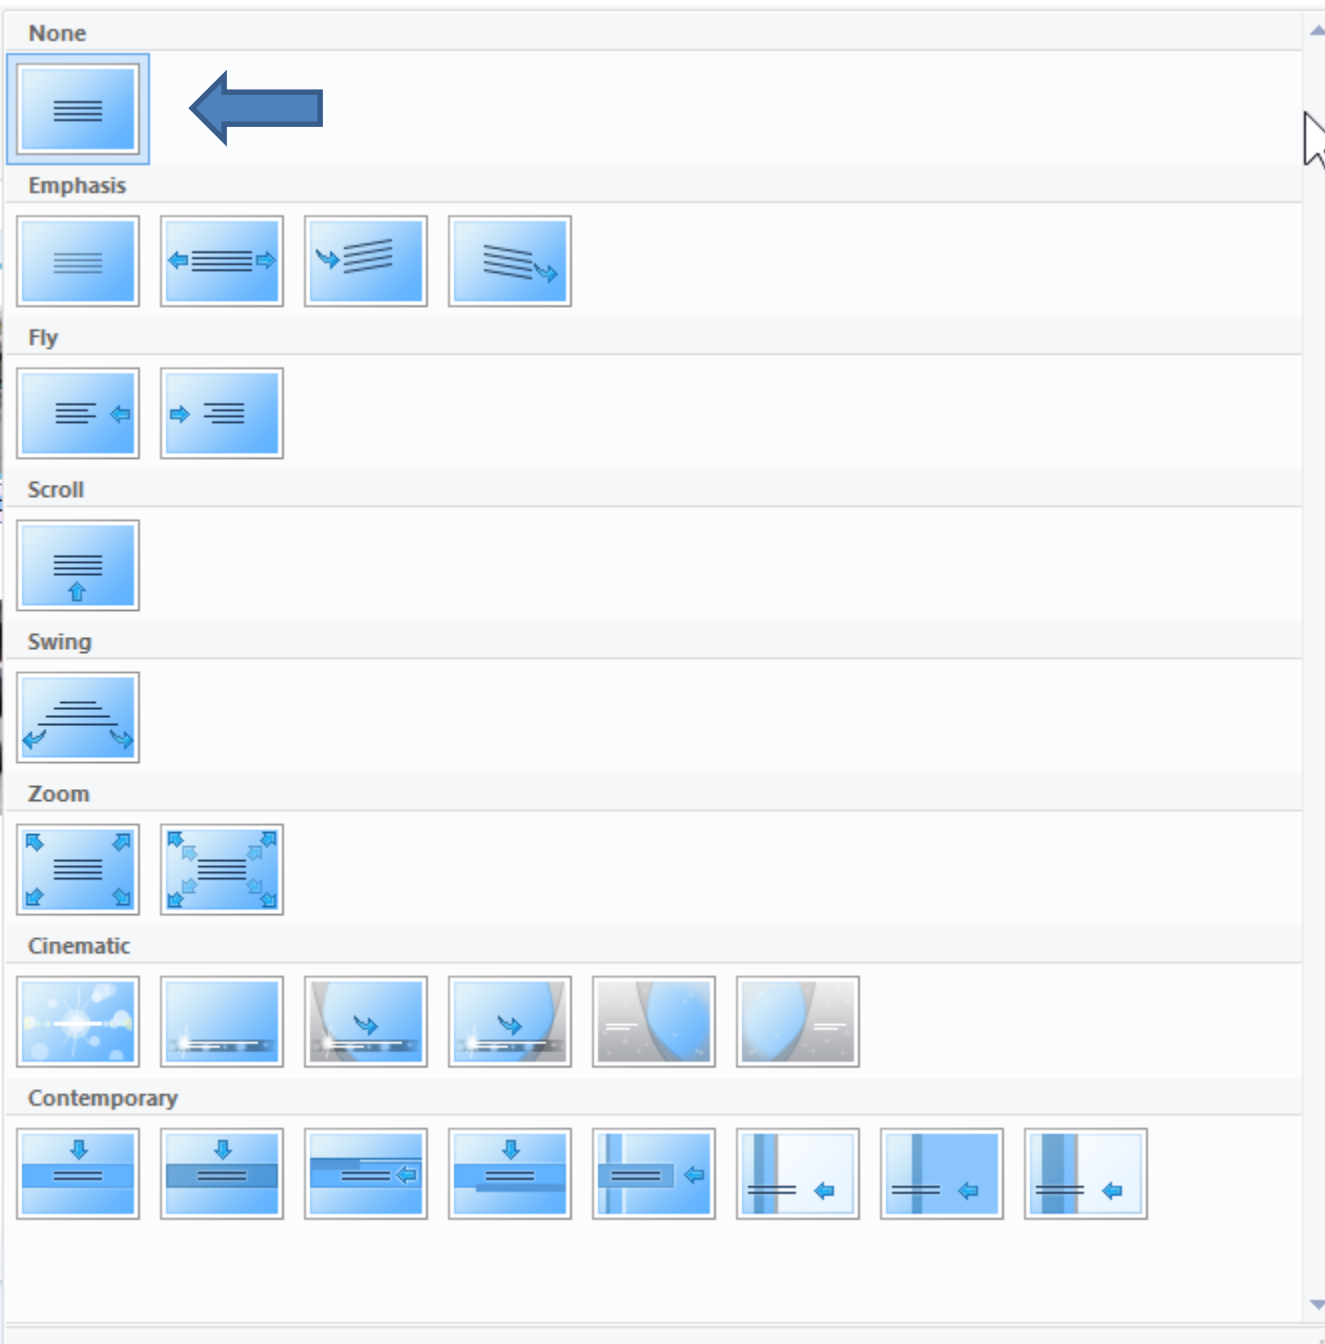

- Once you click on one, the effects changes.
- Try one, or just keep it normal. Next is other options.

# Other option, click on the drop down

- Next is what happens.

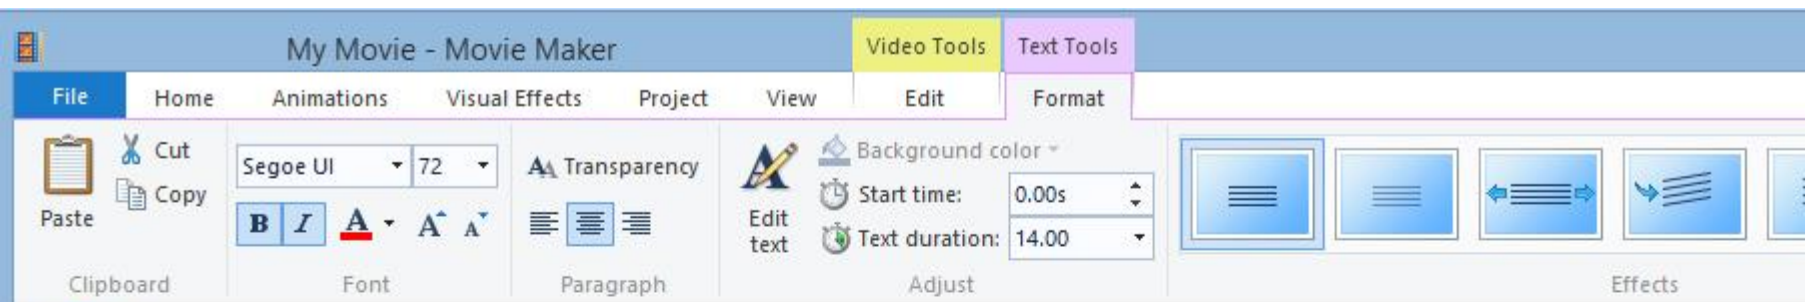

- You then see the full list.
- You try another one or just click on None again.
- Next is text duration.

You can change the text duration, so the text is on more than one photo. You can select the seconds or type in your own

- Like 14 for 2 Photos
- Next is a sample.

The screenshot shows the Microsoft Movie Maker interface. The title bar reads "My Movie - Movie Maker". The ribbon is set to "Text Tools". The ribbon includes the following sections: "Clipboard" (Paste), "Font" (Cut, Copy, Segoe UI font, 72 size, Bold, Italic, Underline, Color, Size), "Paragraph" (Transparency, Bullets, Numbering), "Edit text" (Pencil icon), and "Adjust" (Background color, Start time, Text duration). The "Text duration" dropdown menu is open, showing a list of values from 1.00 to 30.00 in increments of 1.00, with 7.00 selected. A blue arrow points to the 7.00 option. Below the ribbon is a video preview window showing a wedding scene with a bride and groom in front of St. Mark's Basilica. The word "Wedding" is overlaid in large red text at the bottom of the video.

Here is a sample of Text duration. You also can change the photo duration. I will be showing you that next.

00:00.00/00:42.00

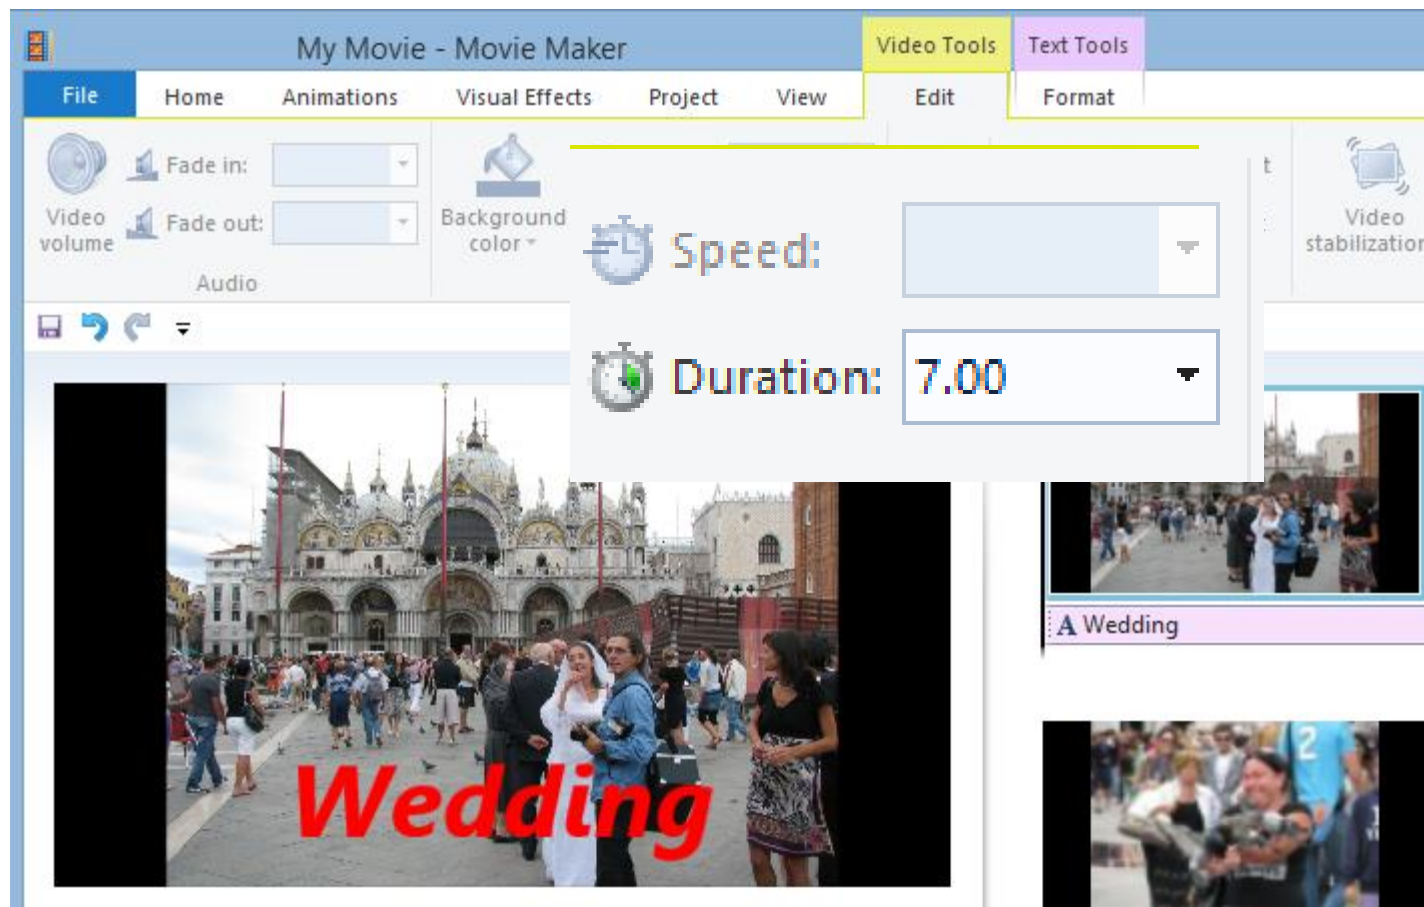

A Wedding

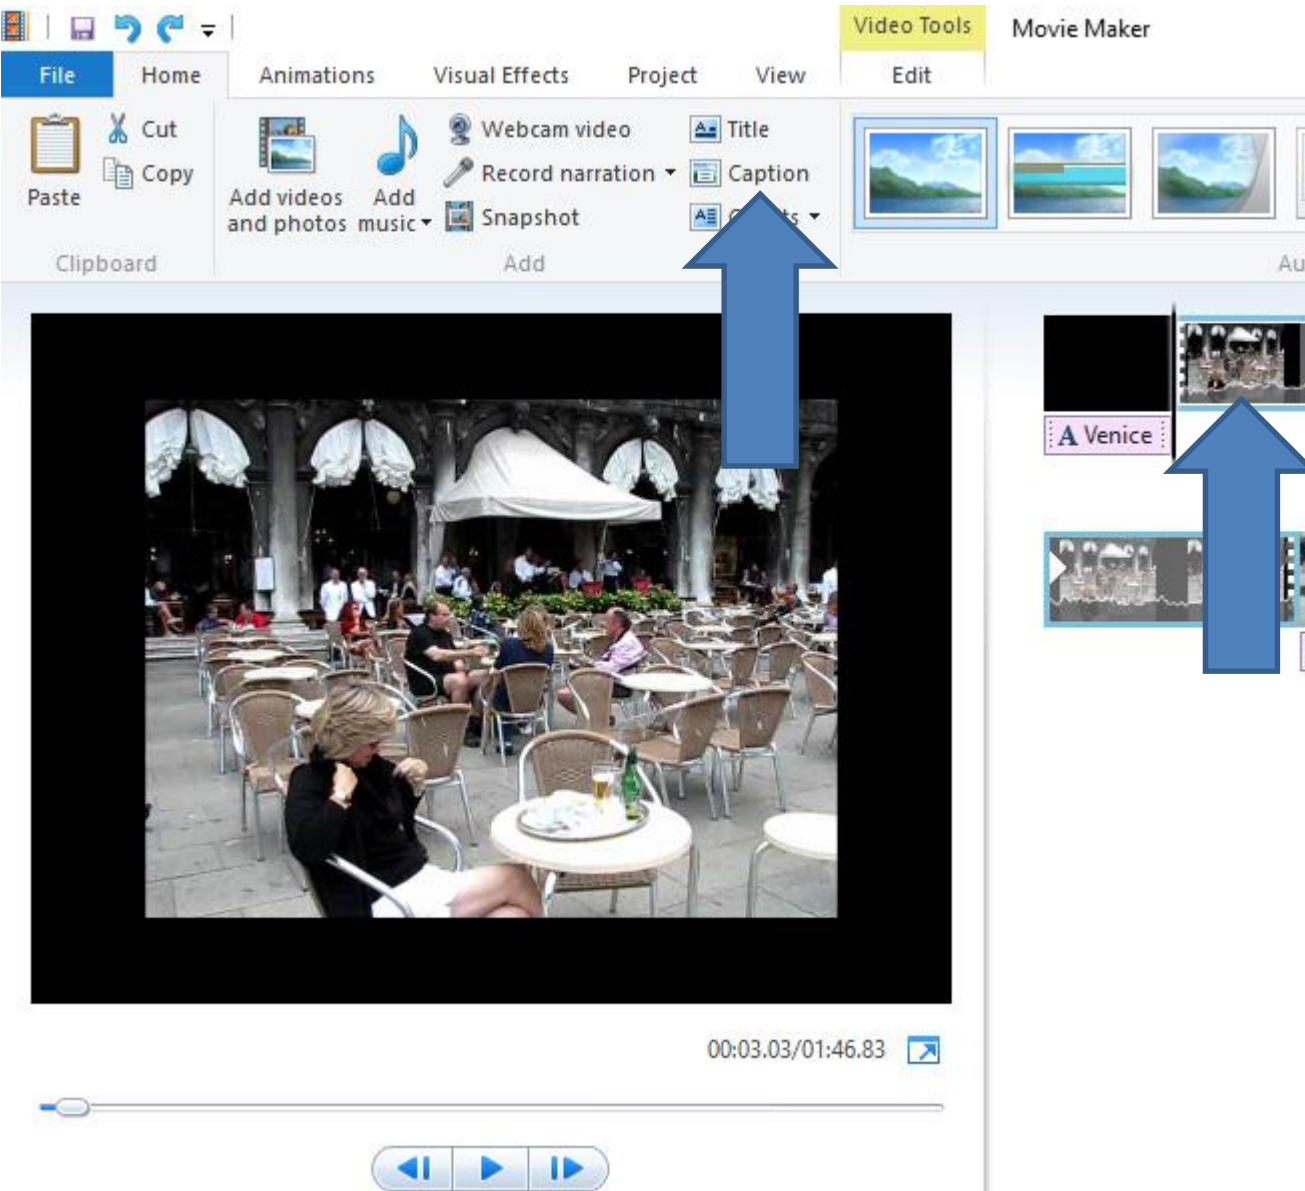

A Venice 2009 Bird

**Double Click on the Photo and you see the default duration is 7 seconds. Follow same process to change duration. The reason may be to fit music, etc. Next is add Caption on Video.**

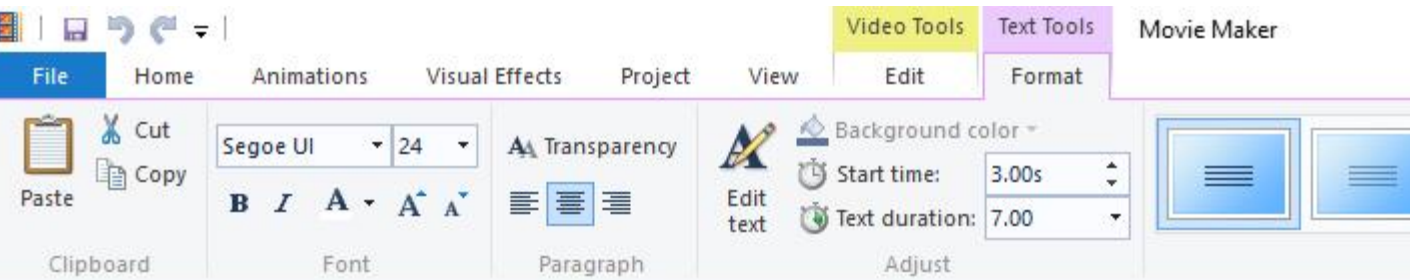

# If you want Caption on the beginning of the Video, click on it and then click on Caption.

- Next is what happens.

# You see the same as Photo Caption.

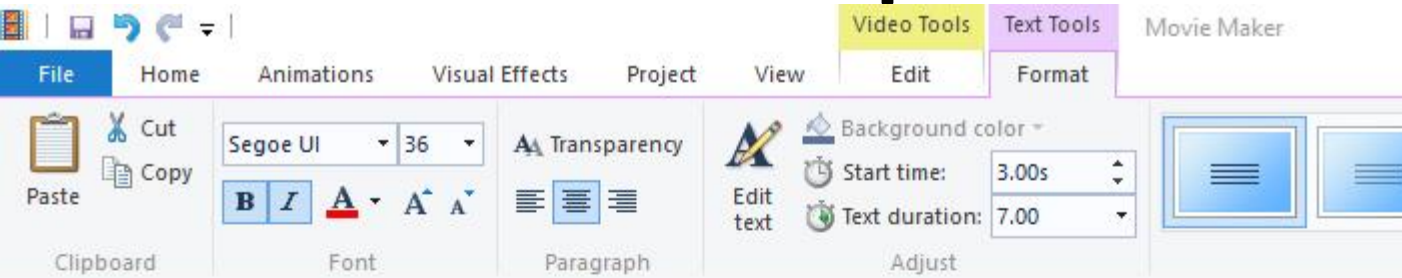

You follow the same process and next is a sample.

00:03.03/01:46.83

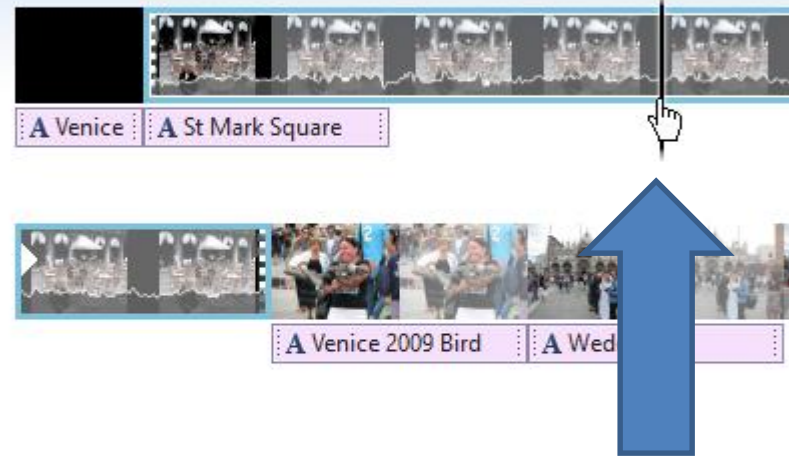

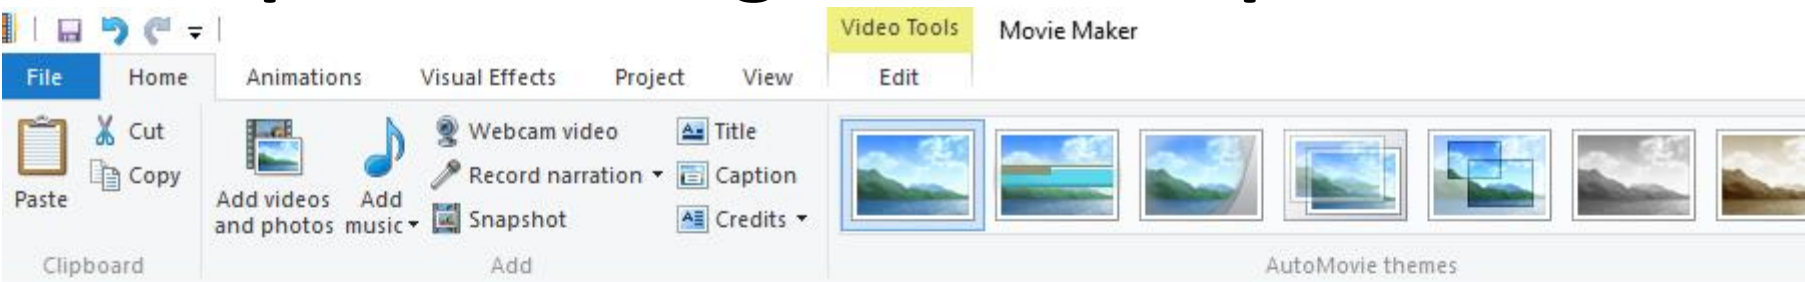

# Here is a sample. Next is to add Caption in a different part of the Video.

You first left click on the line and hold it down and drag it to the right on the Video to find where to add another Caption. Next is a sample of dragging it.

- Here is a sample of dragging it. Next is a sample of adding another Caption.

- Here is a sample of adding another Caption. This is the End of Step 8 – Part B.
